Burros slip, slide to win

MOKENA — The Mokena Burro varsity punched out a 13-0 victory over the Bradley Lions Saturday afternoon in

the annual George Krueger Bowl at Mokena.

An on-and-off drizzle kept the ball and

footing slippery for the young squads and after four contests were played on the rain soaked park district field there was little grass left showing above the mud holes.

The Mokena junior varsity also blanked the visiting Bradley Lions, scoring a 22-0 shutout.

The Mokena Bantams opened the afternoon's play with a 13-6 loss to Bradley and the Mokena PeeWees had likewise results, dropping a 20-6 contest.

KRUEGER BOWL RESULTS

Bantams - Bradley	13-Mokena	6
PeeWees - Bradley	20-Mokena	6
Jayvees - Mokena	22-Bradley	0
Varsity - Mokena	13-Bradley	0

'Holidazzle' will usher in holiday season

MOKENA — With Thanksgiving and Christmas not too far away the eighth annual flower show of the Mokena Garden Club, Nov. 4 and 5, is appropriately listed as "Holidazzle." The show will be held in the gymnasium at Willowcrest School.

Hours for this Saturday at 2:30 to 6 p.m. and on Sunday, Nov. 5, the school will open at 11 a.m. and close at 5 p.m. Any amateur gardener is eligible to enter the competition. Proceeds from the donations for tickets are used by the club in support of its community projects. The club donates trees, shrubs and flowers to the program of beautifying Mokena.

The club (it only has 17 members) maintains several civic projects. The club is responsible for the plantings at the Rock Island station, of a variety of plants and flowers in Mokena Community Park and this year in observance of the 100th anniversary of Arbor Day the club supplied trees for planting at Willowcrest and St. Mary schools.

Two of the members of the club, Elizabeth Beebe and Esther Neef, serve as judges at other shows.

The Mokena Club is a member of the Will County Federation of Garden Clubs, the Garden Club of Illinois, and the Sauk Country Council of Garden Clubs.

Those in charge are hopeful of gaining public support of its endeavors.

AF tactical airlift wing adopts Herald reporter

By Mary Straub

DATE: Sept. 10, 1972 to Sept. 14, 1972
DESTINATION: Selfridge ANG Base, Michigan

MISSION: COMFORT SILVER; to include participants from throughout the USA. Aircraft in contest are the C-130 Hercules transport and the A-37 Dragonfly twin-jet attack fighter. Flight orders include my name as correspondent covering this tournament in honor of the Air Force's 25th Anniversary as a separate military unit. "Comfort" is the code name for AF Reserves, and "Silver" denotes the 25th year.

Early Sunday morning the 928th Tactical Airlift Wing (TAW), AF Res., out of O'Hare field, military section headed into sunny skies towards Michigan. Our vehicle was the C-130 a large four prop aircraft which is painted in camouflage colors of dark, mossy green and beige. At a distance it is literally gobbled up by trees and earth. It's a sober looking aircraft; one feels its business like, no-nonsense nature. Sgt. Jerry Bielke, Air Force publicity and I scrambled into its side, the last ones to board for I have arrived at O'Hare a bit later than instructed.

A military veteran knows how unglamorous and uncomfortable a C-130 or sister craft is. For those who do not, this Lockheed plane serves primarily as a transport, both of men and of small and large supplies. It's difficult to believe that tanks or jeeps can snuggle into the belly of this Momma for she doesn't appear to be that roomy, even from inside. But, it happens, and various size equipment is born either on land or in the air dangling from chutes, as are paratroopers.

In Viet Nam the C-130 and crew are deeply concerned about our ground forces. It's got to be a welcome sight to see a monster tank issue from the rear door of this craft and settle slowly to terra with attached chutes billowing gracefully before the final thud. For this reason the C-130 is called Hercules, but I became so fond of this transport that I call her Momma. She is certainly protective and maternal in her way; I felt safe and sound within her.

Cargo is rolled into and out of Momma's center. Along the swells of her belly, canvas seats hang to be raised or lowered as needed. This adaptable craft also serves as a hospital vehicle, moving wounded men instead of supplies.

With engines running and take-off seconds away, Col. William Barr, Jr., Commander of the 928th TAW at O'Hare bid us "Goodbye," and we knew his hopes for his Wing to do well in the Selfridge competitions.

Introductions to the crew are impossible because Momma is also mighty noisy. She's no elite super-jet commercial job. Airman 1st Class (A1C) Randy Rittthaler, Bollingbrook, Ill., reservist, gave me ear-plugs to protect my ear drums, and that took care of socializing. We've had to use sign language for "We're taking off," "We're in the air," "Smoking is OK," "Here's the ashtray," "You can unfasten your seat-belt and go up front."

Up front, is into the cockpit, watching over the pilot's shoulder, noting a complex instrument panel and the span of Lake Michigan. And — where is the land?

We were airborne for 45 minutes;

Selfridge was 15 minutes away. Randy communicates to Jerry and I, "We've turned around. We're going back." We laughed at his cute joke, Ha! Ha! He insisted and we persisted, Ha! Ha! He won. We turned around and were headed for home. One of two pilot's attitude indicator position guides necessary for night flying and for the Selfridge mission, had ceased working. Repairs were needed.

About 10 minutes earlier I had silently complimented myself on my hearty digestive system. Three whoopee bags were tucked away into my bag. I wasn't going to need them. Then, I seriously reach for one. There is an hour's interval between Selfridge and O'Hare. Returning home, we were on our second hour in the air and it would be another 60 minutes before we finally reached Selfridge.

I'm going to have to disappoint Sgt. Bielke (she's smiling at me), our Air Force Reservist HERALD Publisher, Jerry Piper, my editor and the entire Air Force population. I'll disembark when we land and give fond farewell and regrets to the nice airplane. We land with a horrible jolt. Another. A skreech. That did it. (Later, I learned that our pilot, Capt. Albert Akins was practicing an assault landing, one of the competition activities. I forgave him immediately.)

With engines still running and all of us vibrating, a maintenance crew busied about repairing the pilot's indicator. I was about to unfasten my seatbelt to leave when the flight engineer commanded everyone, "Stay in the plane!" I mulled this over. If I left now, would it be desertion? I couldn't disgrace myself. A drink of water, a few deep breaths by the open door and I felt wonderfully renewed. Half an hour later we were airborne again, and within an hour we landed at Selfridge AFB, Mt. Clemens, Michigan.

This base houses Army, Navy, Marine, Coast Guard, National Guard and Air Force units. Twenty-four TAW units arrived that Sunday morning from areas dotting the USA east of the Rockies. They've managed to land only 10 minutes apart as scheduled, beginning at 9:52 a.m. until 1 p.m. We, of course, were a bit late.

Gen. George H. Wilson, commander of the host 403rd TAW and Competition Commander gave a welcome and briefing at the base's movie theatre. "This is a rare opportunity for us to exhibit our training and skills which have already led to all participating units reaching an effective combat ready status."

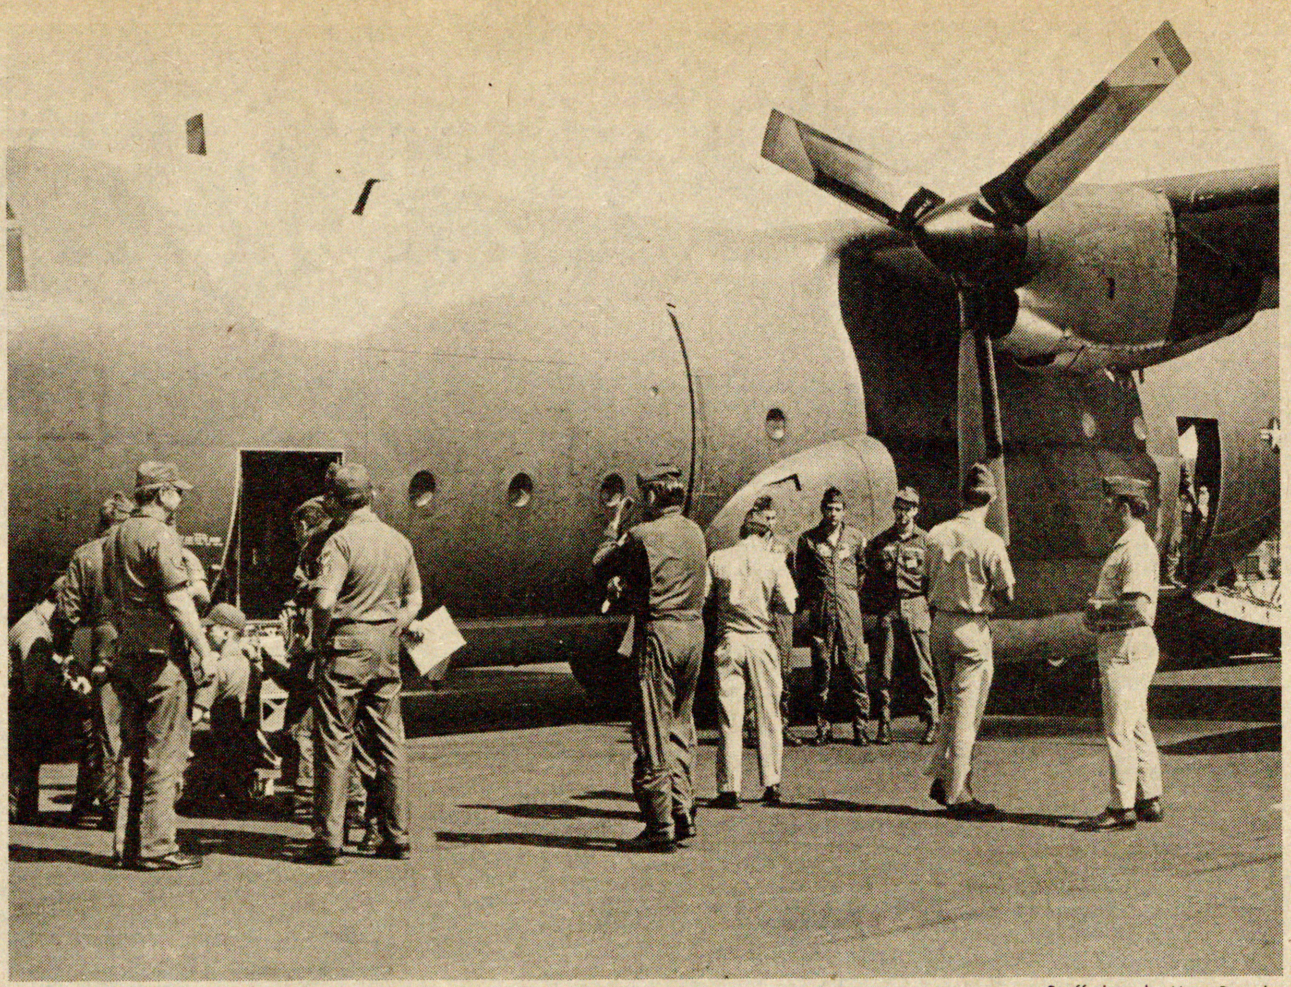

Out of context, this remark is a trifle grim and forboding. The mention of combat doesn't exactly send waves of pleasure up our spines, yet, admittedly the adventure, skill and drive involved in Comfort Silver were thrilling, however much a shadow of wartime activity. The men — fighter pilots, C-130 crew and commanders, were jovial and poised for the contests. An aura of camaraderie permeated the base. Realistically, our defenses do depend in part on reservists such as these keeping in top form and animated.

The hangar denoted as Action Center was the hub of competition activity, and there, during the course of these days I became acquainted with Air Force personnel who kept me informed con-

stantly. With Lt. Col. John Eckhart, Col. William Hall and Col. Frank Parrish, who was then convinced that his unit would take first place.

It's been 6 years since such a contest has been held by the Air Force. No wonder the flyers and commanders were in great spirit. There was only one flaw, the weather. It didn't look at all promising. To quote TACFACTS, the base's daily newspaper, "Event is silver, but skies may not be." A low ceiling or otherwise inclement weather may cancel maneuvers, but everyone hoped for the best. A Michigan weather man is an AF Reservist. If he couldn't provide us with clear skies, no one would.

Competitions began at 10:15 a.m. the next morning when the C-130s were to do their stuff. We had to pull back our covers at 6:30 a.m. to sit in on the briefings. It looked like they were going to be getting up every morning way before breakfast.

Our C-130 has landed at Selfridge.

Though flying to Spain this weekend sounds like a great idea, the prospect and the reality are world's apart. Yet it is possible to dine in the sunny influence of Granada, Seville or Madrid. The Alcazar is a model of Spanish design on the outside and exudes the warmth long associated with Spain in the interior.

The cuisine, the service, everything at the Alcazar is friendly and delicious and relaxing. There are also large rooms available for weddings, parties, banquets and large sales meetings.

This weekend, if you're ready, the Alcazar, 253 W. Joe Orr Road, Chicago Heights, will take you one step closer to a mediterranean idyll.

LILLIAN WERTZ

HAYWARD, WIS. — Funeral services for Lillian Wertz, 54, of Hayward, Wis., formerly of Tinley Park, were held Friday, Oct. 27 in Morris, Ill. Burial was in Evergreen Cemetery.

Mrs. Wertz died suddenly Monday Oct. 23 in Hayward; she was born April 28, 1918.

Mrs. Wertz and her husband, George, were residents of Tinley Park for 29 years before moving to Hayward in 1968.

Known to many Tinley Park residents as Lil Smith, Mrs. Wertz and her husband were proprietors of the Tinley Park Hardware Store from 1947-1961.

Besides her husband, she is survived by a daughter, Pat Mell, Tinley Park; and four grandchildren.

MABEL HOSSBACH

Graveside services were held for husband and wife in Woodlawn Memorial Park Cemetery, Joliet.

John Hossbach, 83, 1000 Richards St., Joliet, who for many years was employed in the Frankfort Locker Plant, died Oct. 20 at Silver Cross Hospital.

His body was brought to the First Lutheran Church, Joliet, for burial Oct. 23. Shortly after its arrival where the widow, Mrs. Mabel Hansen Hossbach, was fatally stricken. She was taken to Silver Cross Hospital and pronounced dead on arrival.

The body of John Hossbach was taken to the Woodlawn Memorial Park Cemetery chapel and held there until last Thursday when funeral services for Mrs. Hossbach were held at the First Lutheran Church, with the Rev. Leland Engle and Dr. John A. Goeken officiating. The double graveside service followed with the Haley Funeral Home in charge of arrangements.

The Hossbachs are survived by a son, Russell, and a daughter, Lucille, Mrs. William White, of Joliet; four grandchildren and three great grandchildren. Mrs. Hossbach also is survived by a brother, Albert Hansen, and a sister, Mrs. Lydia Nieland, both of Joliet.

Tony Scariano votes for people, not horses.

During his sixteen years in the Illinois legislature, Tony Scariano has put himself on the line for the people.

He has fought for better schools, for racial equality, for minimum wages, for mental health programs, for aid to the handicapped, for training of displaced workers, for election reforms and for consumer reforms.

He has fought against the state income tax, the personal property tax, the patronage system and the Syndicate.

He has crossed party lines many, many times.

During his ten years in the Illinois legislature, Tony's opponent, Donald A. Moore, has also fought for some causes.

He was the chief legislative sponsor of quarterhorse racing in Illinois.

He sponsored another bill to provide free racetrack passes for members of the Illinois legislature.

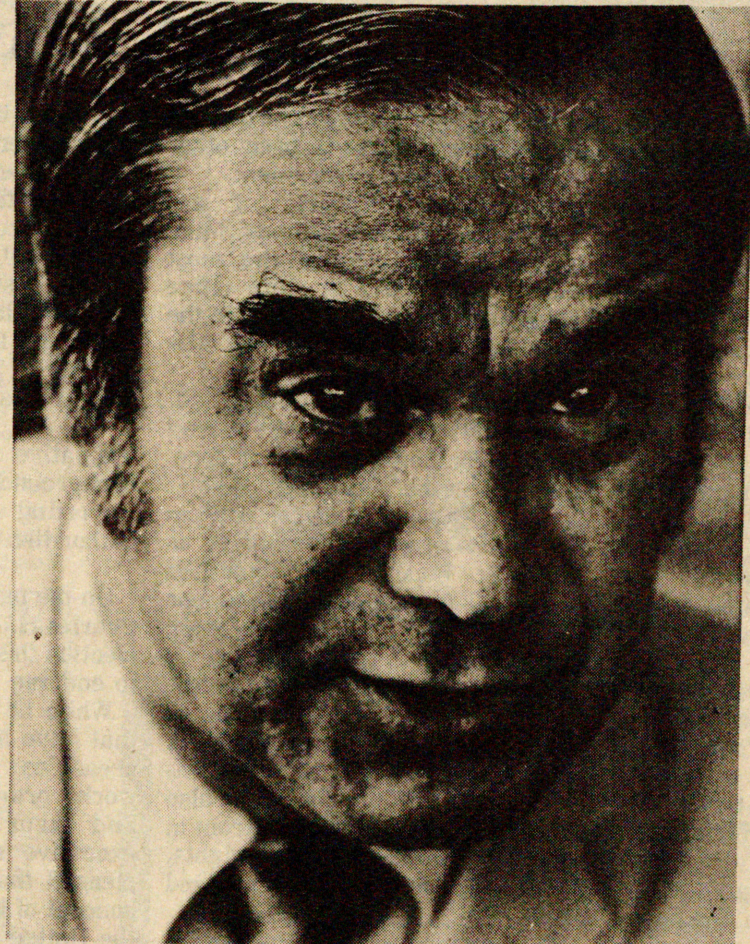

He has been a regular supporter of bills to appropriate money for the breeding of racing thoroughbreds in Illinois and for additional funds to study the causes of racehorse diseases.

He also voted for the state income tax and against two bills to raise the tax on racetracks for the first time in 25 years.

And the only time he crossed the party line, he did it for his good friend, the late Paul Powell.

On November 7th, we urge you to vote for Tony Scariano for State Senator of the 9th District.

Vote for people in Illinois.
Not horses.

Vote for yourself. And Tony Scariano.

State endorsements

Ogilvie courage needed

Elections will be held Tuesday for four key state offices, and voters are blessed with an array of competent candidates from which to choose.

After several months of studying the records and issues, and discussing them with the candidates, the staff of Crescent Newspapers has made its selections for endorsement, and we present them now for your consideration.

For Governor of Illinois we urge the re-election of **Richard B. Ogilvie** (R) on the basis of his demonstrated performance in modernizing state government and implementing programs that have generally improved the lot of the state and its residents in a number of vital areas of concern.

Under Gov. Ogilvie's administration we have noted marked improvement in the state's financial condition, its roads, parks, educational opportunities, environmental protection, mental and physical health facilities.

Much remains to be done — in tax reform, implementing the new Illinois Constitution, economic development, job opportunities, welfare administration, mass transportation, court reform — and the governor has addressed himself to continued progress in these and other state problems.

We believe the people of Illinois would serve themselves well to sustain another four years of the courage and executive ability of Gov. Richard Ogilvie.

The integrity and efficiency of the Illinois Secretary of State's office has improved gradually in the two-year interim following the Powell scandal, and the time is ripe for a dynamic administrator to move in and pick up the pace.

We think **Michael J. Howlett** (D) is the man for the job and urge his election next Tuesday. Howlett has served 12 years as state auditor with

impeccable performance, providing an effective watchdog over other branches of state government.

Called the "apostle of accountability" of public funds, Mike Howlett is, we believe, the most qualified candidate in state office background necessary to handle the massive responsibility of the secretary of state's office.

Howlett has the energy, administrative experience and business acumen to get the job done, and we urge his election.

Illinois Attorney General **William J. Scott** (R) may be remembered as the most popular and qualified candidate for re-election in our state's history, and we strongly support him.

Atty. Gen. Scott pledged to be the "people's lawyer" and has done so with nationwide distinction. A recognized leader in the environmental pollution battle, he also has moved Illinois to the forefront in consumer protection, civil rights, tax collecting and fighting organized crime.

He has announced plans during the next four years to attack political corruption, vote frauds and consumer abuses, and we believe Atty. Gen. Scott is best qualified to get the most done in these areas. He should be re-elected overwhelmingly.

Illinoisans this year vote for a new office — Comptroller — created by the new Illinois Constitution and vested with great authority to prevent fraud in spending public funds. There are two qualified candidates, **George Lindberg** (R) and **Dean Barringer** (D).

Lindberg, a state representative for six years, is known as the father of our much-needed ethics law for disclosure by state officials. He also was chairman of a special House committee to investigate the judiciary and is a respected attorney

and fraud investigator.

Barringer helped write the State Comptroller Act, which designates the Comptroller the state's chief fiscal officer. He has a Ph. D. in educational administration and is dean of business affairs at Shawnee Junior College.

Of the two we prefer **George Lindberg**. This could become the second most important state office, and we believe Lindberg's legislative experience and legal background will be helpful in interpreting its responsibilities and authorities.

On the national level U.S. Senator **Charles H. Percy** (R) is seeking re-election this year, and we are proud to endorse him.

While he has supported projects that have benefited Illinois in such areas as health centers, public works projects, rural employment and farm opportunities without excessive subsidies, we are most pleased that he has embodied the concept of being a Senator for all of the United States.

Much of Sen. Percy's greater efforts have been in humanitarian areas of help for the elderly and an end to the alarming growth of drug traffic, and he has been effective in helping business and labor understand their responsibilities to each other, to the consumer and to the unemployed.

Sen. Percy truly has been "his own man," not an unquestioning supporter of the administration or special interests. He has opposed our involvement in Vietnam and, from his new seat on the Senate Foreign Relations Committee, hopes to have a better chance to end it quickly.

Illinois can feel privileged to have **Charles Percy** representing the state in the U.S. Senate, and we urge his re-election Tuesday.

Would you want the park

North or south of the tracks?

The Park District has parks, all, unfortunately, located on the northside of the Park District.

Before the building boom in the 50's, the municipalities' population was divided fairly equal on either side of the railroad tracks. The majority of the people now reside on the north side (about 4-1 ratio).

The majority of future building within village limits is slated for the north side of town. Most of the developments will come under Planned Unit Developments with areas set aside for recreational purposes.

In the meantime, the people south of the tracks continue to pay taxes to the district while their small children trek across town to enjoy the benefits.

The Park District recently passed a resolution allowing for the purchase of a new park site. They are contemplating the purchase of Vogt Woods.

The Park District recently passed a resolution allowing for the purchase, through condemnation proceedings, of Vogt Woods, near Fulton School (17th Street) on the northside of town. However, they are open to suggestions on placement.

This district is an Ad Hoc governing body with elected officials, and taxing and bonding powers granted by all those living within the entire district, north and south.

It is the opinion of the TIMES HERALD that should the district continue in their pursuit of condemnation proceedings to acquire a four acre park site on the north side of the municipality, they well be neglecting their duty in serving all the people of the village.

Even in "movieland," the south wins once in a while.

In order to aid the Park District in securing positive information regarding the location of the next park site, the TIMES HERALD is asking residents to clip and return the following coupon

On second thought

By Glenn Logan

There was a brief moment Tuesday night of last week that your correspondent had the wild, impossible hope, that something was going to be done to remedy the grade crossing where the Rock Island Lines cross Wolf Road in Mokena.

On arriving at the village hall for the bi-weekly chore of attending the meeting of the village board yours truly experienced the surge of wild hope mentioned previously, when he learned that three of the visitors were from the Rock Island railroad. The Rock Island has put in three crossing in Mokena that are a credit to the railroad as well as the community but the one that's left is that stinker on Wolf Road.

The railroad has done considerable work in trying to remedy the situation but the job can't be done right until the state department of highways or

transportation or whatever the departments dealing with Illinois roads is called, permits the closing of Wolf Road until the task is complete.

Granted that Wolf Road is convenient and covers almost as much territory as a federal expressway it is not that important to the movement of traffic that it can't be closed until the grade crossing can be properly rebuilt.

There is a perfectly good crossing at Mokena Street, which is a long block east of Wolf Road, and the crossing about two or two and a half blocks to the west is on Hamilton Street.

The tracks crossing Wolf Road go up and down like a yo-yo, as has been the case at several points along the Rock Island mainline between Joliet and Chicago.

Also on the Wolf Road crossing are deep crevices over which autos rock precariously. Drivers who get dizzy if they look down into deep chasms, keep their eyes front, so of course they get some extra bumps.

Someone told me that they get good echoes at this crossing in some of the crevices. One can stand there and shout,

Return Tony, the maverick

Good government, the type of government where issues are weighed judiciously and laws are enacted with foresight, integrity and courage, is what the public wants in Springfield.

Tired of pork barrels and shoe boxes, high taxes and low returns on their tax dollars, the voters of the State of Illinois deserve more than they have received.

Unlike other races, the campaigns of Anthony Scariano, Democrat of Park, and Don A. Moore, Republican of Midlothian, provide voters of the Ninth District a choice. The choice between Scariano, an independent who votes according to the issues, and Moore, a party regular whose record indicates strong partisan ties, is obvious.

Scariano, labeled a maverick by many, has no allegiance to the Democratic Daley machine and owes nothing to anyone - except to the residents and voters who have returned him time and time again to the State of Illinois House of Representatives.

He has repaid his debt many times over.

One of Scariano's outstanding attributes is his ability to force out in

the open the views of other legislators who would rather keep their opinions on controversial matters in the shadows. A legislator with strong personal convictions, Scariano has brought issues to the House, no matter unpopular with other legislators, which have helped clear the air on questions that affect each and every one of us.

One of these "unpopular" topics was that of ethics legislation.

Shortly after the Paul Powell scandal, Scariano appeared at the forefront of state legislators who pushed for ethics legislation which would have made it mandatory for every candidate for public office to reveal his entire income. Unlike Scariano, Moore who was opposed to such legislation countered with a proposal which would have made it mandatory for newspapers to make public disclosures of finances — a vengeful measure that had nothing to do with the ethics of elected governmental officials.

It also took conviction for Scariano to back no-fault insurance. A lawyer with offices in Chicago Heights, Scariano fought for insurance which would have protected drivers against uninsured motorists. In the Eastern United States, no-fault

insurance has proved to be disastrous to the incomes of lawyers and other legal advisors. Nonetheless, Scariano pushed for it here in Illinois where it would have affected his income as well as that of his colleagues.

On the issue of taxation, Scariano voted against the state income tax on the basis that the tax was not graduated and therefore not fair for those with low incomes.

Scariano also has kept pressure on the Illinois Central Railroad, the major method of transportation for south suburbanites commuting to the Chicago loop. Along with many civic-minded individuals seeking better service, more modern stations and, above all, honesty in a private corporation which relies on the federal government for financing, Scariano fought against a fare rate increase by attempting to bring the matter to the floor of the House of Representatives.

For these reasons and many more, we feel that Scariano deserves the Senator's seat from the Ninth District. Not because he is a maverick, but because he prepossesses the foresight, integrity and courage that is sorely needed for good state government.

Dore ready to serve the Fourth

In the Fourth Congressional District race for United States Congress the HERALD supports Democratic candidate **C.F. (Bob) Dore**.

Dore is presently an attorney with the Chicago based law firm of Arvey, Hodes and Mantynband. He has argued cases before both the Supreme Court of Illinois and the Supreme Court of the United States.

A 17-year resident of Flossmoor, Dore graduated from Mt. Carmel High School in Chicago and served two years as a paratrooper with the U.S. Army. After completing his studies at the University of Illinois he again served his country, this

time for two years in the U.S. Air Force. During those two years Dore spent 11 months on duty in Korea.

Prior to joining his present law firm Dore has served as Assistant Attorney General of the State of Illinois, as Chief of the Revenue Litigation Division and as Chief Attorney for the Illinois Toll Highway Commission.

Dore considers ecology and Environmental protection at the emergency stage. He calls for a massive commitment from both the public and private sectors in order to insure a viable environment for us today, and for our children tomorrow.

Dore's opponent, incumbent Congressman **Edward Derwinski** was one of 26 congressmen given a zero rating by the League of Conservation Voters, a non-partisan, independent group who rated Congress relative to 15 key environmental votes.

During his interview with HERALD editors Dore stated that he could not make outlandish promises. His only promise to us was that he will, if elected, sever all ties with the law firm he is presently associated with to better serve the people of the fourth district. We do not consider that promise a pie-in-the-sky.

Rayson, a hard man to label

Few times have we been in a position to work closely with a political candidate in other capacities than those which the individual officially occupies as a public servant.

We have had this distinct advantage of working with **Leland H. Rayson**, a Tinley Park attorney who is one of the four candidates for the three Illinois House of Representative seats in the reorganized Ninth District.

We have found **Lee Rayson** to be an outstanding person in each capacity in which we have observed him to labor. As an independent

thinking candidate, although he carries the Democratic label, he encounters decidedly tough opposition from both within and from outside his party ranks. To overcome this opposition he will need the closest support of those who believe in this type of individual representing us in the State Legislature.

We are not so much convinced that **Lee Rayson's** opposition is not qualified to serve this district, as we are assured that Rayson, who has been voted the "best legislator" award for the four past sessions of the State Legislature, is an in-

dividual whom we so critically need to retain in government.

Lee Rayson's outspokenness and frankness on such issues as drug abuse, abortion, consumerism has created formidable opposition to his return to Springfield. However, his sincerity and awareness to the complete picture on each of these issues has built an army of unwielding supporters.

For the free thinking, independent voter who still believes that we must retain strong minded, ethical individuals in government we recommend your support of **Leland H. Rayson**.

Drop coroner, elect Mulack

One of the least controversial issues on the Nov. 7 ballot in Cook County will be the referendum to eliminate the office of Coroner of Cook County.

We recommend that our readers vote yes on the referendum which reads "Shall the office of Coroner of

Cook County be eliminated and replaced with a Medical Examiner system headed by a qualified licensed physician to be chosen by the President of the Cook County Board of Commissioners with the advice and consent of the Board of Commissioners, to be effective

December 6, 1976?" There is no doubt in the minds of individuals knowledgeable of this subject that office of coroner no longer serves an important position in county government. This is why the new State Constitution has allowed each county to make its own decision on the continuance of the position.

The debatable issue in this question is who is to be elected to carry out the phasing out of the coroner's position after the voters approve the referendum.

We believe the young attorney **Donald G. Mulack**, who has argued long and hard for the abolishment of the coroner's office, is the man the voters should elect to direct the demise of the coroner's post.

Mulack is an assistant attorney general in the Consumer Fraud Division of Illinois Attorney General **William J. Scott**. He is also responsible for investigations and dealing with administrative matters pertaining to personnel, recruitment and budgetary policies.

His work for the Republican Party includes vice president of the 45th Ward Regular Republican Organization; a member of the Board of Governors of the United Republican Fund of Illinois; past chairman of the Cook County Young Republican Organization, and past first vice president of the Illinois State Young Republican Organization.

Mulack received his B.S. in finance from Northern Illinois University, and his J.D. degree from Chicago-Kent College of Law.

Active in community activities, Mulack is a member of the District Advisory Council of the Small Business Administration, the Portage Park Kiwanis Club, the Citizens' Advisory Committee Adult Education Program at Wilbur Wright City College and the Illinois and Chicago Bar Associations.

White Sox catcher Chuck Brinkman (center) will be among the South Siders who will compete against Carl Sandburg Boosters in a fund raising basketball game Dec. 2. Planning the event are (from left) Henry Gentile, Joe Bogetich, Phil Ashbach, Brinkman, Bill Nelson and Roy Weiland.

Bulldogs in league title contest

By Joe Tholl
TINLEY PARK — The Tinley Park Sunday Lightweights finished their season on the right note. They defeated the wildcats of Plainfield by a score of 14-0. The Bulldogs finished the season with a 8-0 conference record and won the Eastern Division. They finished three games ahead of the rest of the teams in their division.

The Bulldogs will be up against the champions of the Western Division next week for the Southwest Suburban Midget Football League championship. The Bulldogs will play either the Romeoville Spartans or the New Lenox Mustangs depending upon the score of a playoff game. The championship games will be played at Romeoville High School at noon Sunday.

As far as this past Sunday's performance went, the Bulldogs had a total of 194 yards total offense. Tinley's running attack gained 114 yards while they gained 80 in the air.

Tinley Park's first score did not come until well into the second quarter. The touchdown came on a 48 yard passing play from quarterback Marty Bothwell to halfback Tom Farrell. Tony Proszek scored the extra point and the Bulldogs led 7-0.

From then on it was slipping and sliding. Everytime either team would

get started they would run into the middle of the field which happened to be the muddiest part as well. This went back and forth constantly until the Bulldogs managed to sustain a drive and go in for their second score.

Tinley's second touchdown came on a five yard toss from Bothwell to left end Bob Jaklich. Farrell made the extra point. Incidentally, the Bulldogs second score was set up after Steve Somerfield partially blocked a Wildcat punt. The game ended with the Bulldogs winning 14-0.

All year we have been talking about the Tinley offense but the Tinley defense has worked just as hard. Everytime the pressure was turned on this defensive

Freshmen to close

ORLAND PARK — The Carl Sandburg freshman "A" team lost a tough game to Lincolnway last Saturday, 14-0.

The freshman looked like they were going to win in the early going, but there was no score as the first half ended. The undefeated Knights came out fired up for the second half and went on to win.

The Eagle's record now stands at 4-3. The Eagle "B" team tied 6-6. The freshman's last game will be at Bremen next Saturday at 9:30.

unit they always came through. This defense has only allowed six points to be scored on them all year in 11 ballgames.

A good indication of the Bulldogs strength came Sunday when they had their backs up against the wall. The Plainfield Wildcats had a first and goal situation on the Tinley eight yard line. By the time fourth down had come up the Wildcats were back on the Tinley 16 yard line. The Bulldogs defense had pushed the Wildcat offense backwards eight yards in two plays.

Raider heavyweight

OAK FOREST — In the heavyweight division of the Oak Forest Raiders game against Markham, the contest was decided by a touchdown pass from Tim Grahm to Brian Wheeler. The heavies ended their season with a 5-2-1 record. Outstanding on defense were Brian Wheeler, Rick Reiley, and Tom Miller. This is the last game for Tim Brennan, Randy Douglas, Jim Freeze, Dan Griffin, Timothy (Cracker) Grahm, Phil Shellberg, Tommy Slouber, Bill Languish, and John Mowat. The cheerleaders are Debbie (Rubsy) Toland, Kristi (Kipsy) Pfeiffer, Kathy Lamantia, Carol Jackson, Peggy Saunders, Debbie Harvey and Maureen Knight. The team thanks coaches Bill Bartishell, Jim Maul, and Dale Schimt

Boosters bring Sox to Orland

ORLAND PARK — Carlos May, Rick Reichardt, Minnie Minoso, Wilbur Wood are among the Chicago White Sox who will clash with members of the Carl Sandburg Boosters and faculty members Saturday evening, Dec. 2, in a fund raising basketball contest.

Arrangements for the contest were completed Thursday evening of last week between Phil Ashbach, a White Sox player representative, and William Nelson, president of the Boosters. Also taking part in the contract signing were Chuck Brinkman, White Sox catcher, and representatives of the Boosters, Roy Weiland, vice president; Joe Bogetich, treasurer; and Henry Gentile, vice president.

Among the White Sox expected to play in the Sandburg gym will be Carlos May, Walt Williams, who was recently traded but is still expected to play this winter with the touring Sox group, Rick Reichardt, Tom Bradley, Ed Spazio, Brinkman, Moe Drabowsky, Jim Geddes, Minnie Minoso and Wilbur Wood.

President Nelson said tickets for the event will be on sale in the near future. Proceeds from the event will be used by the Boosters to purchase additional equipment for the school's athletic program.

Sandburg sophs win

ORLAND PARK — The Carl Sandburg sophomore football team squeaked by with a 7-6 victory over the Lincolnway Knights Saturday.

Late in the game, Greg Wymer of the Eagles grabbed a Knight punt and raced 60 yards for a saving touchdown.

Wymer also kicked the extra point to win it for the Eagles.

The Eagles record now stands at 5-2 and 4-2 in conference. They play their last game of the season at noon Saturday against the Bremen Braves at home.

Clubhouse fee charge hot issue

TINLEY PARK — The Homeowners of Brementowne Villas met last Thursday evening and exchanged much in the way of strong opinions vs. suggestions for running a smooth and solvent community.

There was considerable discussion on charging a fee for resident use of the community rooms in the clubhouse. One of the selling points made by Allied Homes has been that the clubhouse is for the free use of all residents, but now that the homeowners' organization is having to think of getting along without Allied's subsidies, it has decided a fee is necessary to keep the rooms not only clean but in repair.

A homeowner suggested that a deposit be charged instead of an outright fee which will detract from the term "community living." The suggestion was referred to the Executive Council for review.

Treasurer Roger Soderdahl informed the members that an agreement has been drafted with Allied for a \$25,000 contingency reserve fund and

agreement that the builder will take care of all expenses they have incurred to date, leaving nothing for the Homeowners to have to make up. Said Soderdahl, "Other developers upon leaving a development have left the homeowners' organization in a state of bankruptcy at their state of independence."

Clyde Sana, Allied Builders representative, informed the group that until this area does become independent and self-reliant the builder assumes some of the burden of clubhouse and facility maintenance. But, he said, one area is of deep concern: \$1,200 to \$1,500 was spent in the teen room in the past year. "Allied cannot continue to subsidize carelessness or maliciousness. It's up to the board and entire community to decide this problem," Sana said.

Arthur Callesoe, vice president, stated, "This room was never decorated with teens in mind - the decor is too fragile." But, within 30-45 days the board will attempt to find the best

overall management policy to handle these and other matters.

Concerning the on-going problem of structural faults in the villas, Jim Moody informed those present, "In a few weeks an architectural questionnaire will be sent to you to help facilitate a policy when a manager is obtained for the villas. Water drains in many places; grass is burning out, etc. State problems as soon as possible in writing; send one copy to Allied and keep one. This is especially important if you are a new resident."

Start paper drive

ORLAND PARK — A truck will be available next weekend, Nov. 10, 11 and 23, at the Cooper Furniture Co., 147th Street and LaGrange Road to collect newspapers, thin cardboard, magazines, catalogs and telephone books.

The paper drive is a monthly effort of the Orland Park Junior Women's Club to collect papers and thus reduce the waste material in the village.

The truck will be on hand from 11 a.m. until 2 p.m. The drive is held each second weekend. Glass also may be deposited every day from 9 a.m. to 4 p.m. at the Coopers. Furniture parking lot. Special bins are being furnished in which the glass will be deposited. Metal rings are to be removed from glass bottles.

It started in 1952

ORLAND PARK — Illinois State Basketball Champions, since the Little Green Giants of Hebron won the title in 1952, were presented via movies Friday noon at the weekly meeting of the Orland Park Rotary Club.

John Magnuson of the Illinois Bell Telephone Company presented the 30-minute movie which described the company's part in bringing the state basketball finals to the Illinois public through television for the past 20 years.

Two Carl Sandburg High School seniors were guests of the club through a new program instituted by the service group. Richard Franz and Mike Hvizd were this week's guests.

Club President Mrs. Quentin Kling announced that the Rotary District Governor would visit the local club Nov. 10. President Kling requested that all committee reports, in preparation for the governor's annual visit be prepared by Nov. 7.

WESTHAVEN — The Westhaven Jaycees will act on the proposed planned years program and budget for the current fiscal year at a meeting to be held at 8 p.m. Monday, Nov. 6, at the First Baptist Church, 16838 S. Hobart Ave.

The \$3,000 budget includes such community involvement projects as a Christmas home decorating contest, "Honey Sunday," "March for Mankind," a spring clean-up project and a program to introduce the 45-15 school program to School District 140 citizens.

Internal projects will include a Spoke, Speak-Up, Jaycee of the month, quarter and year, and other leadership training programs.

HOWLETT
has earned the support
of Illinois' newspapers:

"Mr. Howlett has served the people of Illinois... with expertise, devotion, and distinction. His department is now doing more work with fewer employees than when he took office, and by all standards is doing an exemplary job... There is no shadow on his own reputation for integrity... He has already made some sound and innovative proposals for improvement, including modernization of office procedures, two-year license plates, nonmotorist identification cards, and rewards for good drivers."

—Chicago Tribune

"Few public employees anywhere in the nation can make the boast that Howlett can—that his department is being run so efficiently that it is doing more work with fewer employees than it was when he took office in 1961. There never has been a breath of scandal connected with Howlett's stewardship."

Developer expects to give Westhaven details

WESTHAVEN — Potential development of 98 acres of presently unused Westhaven property was discussed Saturday by Mayor Curtis Whitaker, village trustees and representatives of Western Land Planning, Inc., of Chicago.

Presented for the village board's review were two tentative sketches showing feasible plans for the construction of 45 apartment buildings, with each divided into 24-unit dwellings.

Site of the housing development, to be called Pheasant Hill, is the expanse of land bordered by 163rd Street on the south, 88th Avenue on the east and Haven Avenue on the west.

Actual development of the area would be done in three phases, beginning in the northeast tract and working ultimately toward the southwest, and would allow for a maximum of 16.3 units per acre with a population density of 1.75.

In addition to the apartments, the plans, drafted by David C. Juliano, Ltd., of Chicago, included allotments for parks, tennis courts and swimming pool.

It was stressed that the development is not to be considered of the low-income variety. Cost for landscaping a single apartment is estimated at \$12,000. The general consensus among board members was that the construction would be beneficial to the village.

Attorney David Shaw of Western Land Planning, Inc. proposed to Westhaven officials an offer of a \$55,000.00 cash contribution in lieu of a 3.4-acre plot of land on the northwest corner of the development site, which was originally designated for village use, as, for example, a location for a future municipal building, or, Shaw continued, Western Land Planning would be willing to donate \$50 per unit built, when occupancy permits are issued.

Mayor Whitaker's counter-proposal of \$50 per unit in addition to the 3.4 acres was not immediately rejected by the young attorney.

"I don't think Mayor Whitaker's suggestion of land and money contributions is unreasonable," Shaw said. "But this is a matter I'll have to take up with Mr. Metzger (of Western Land Planning.)"

The matter was tabled pending the preparation of a Westhaven zoning ordinance amendment expected soon from Village Attorney Ronald Glink. With the completion of the ordinance amendment, the land can be zoned.

Representatives of Western Land Planning will return with more complete information at the Nov. 4 board meeting. Their report at that time will include specifics, for example exact placement of gas pipes, phone cables and water lines.

A public hearing by the Zoning Board of Appeals will eventually follow.

In other action at the Saturday, Oct. 21, meeting, board members heard requests from the Tekton Corporation for renewal of 20 building permits, approximately half of which had expired before building was completed. Vetoing a suggestion by Mayor Whitaker to renew the permits at no cost, the trustees agreed to discuss the matter further at a meeting on Tuesday, Oct. 24, in the presence of Carlton and Henshaw, village engineers to determine what action should be taken.

Other business included the approval

of Trustee William Pressler's motion to invest \$15,000.00 of corporate funds in United States Treasury Bonds for a period of 60 days. The bonds, considered sound investment, will increase in value at an estimated four to six percent. This is the first time the board has invested corporate funds in Treasury Bonds.

Also at that meeting, the board okayed the transfer of the village clerk's office to the Building Department Branch, where Village Clerk Mrs. Barbara Sea, will assume the responsibilities of "paper work" for both departments. Additionally, the Police headquarters will then occupy the area vacated by Mrs. Sea.

The temporary, mobile partition will then be removed to allow for supplementary space in the village hall for meetings. Mayor Whitaker also suggested the purchase of an extra 50 chairs for the room.

Remodeling to be done on the outside of the village hall was postponed until spring. Money for the work, which would include enclosing the area south of the village hall, has already been appropriated.

ILLINOIS

Aetna gives drivers in Illinois a new break on auto insurance.

Aetna just threw away the rule book and the rate book for auto insurance to give you a better deal on costs and coverage. We call it the All-Driver Plan.

Here's how it works. If you have a good driving record, chances are you're getting a break on your insurance costs. Well, we can probably give you an even greater break.

With a fair driving record, and one or two fender-benders over the past couple of years, you're most likely paying more for

your coverage. But with our new approach you probably won't have to pay as much.

For drivers who've been involved in repeated accidents or violations, and have trouble getting insurance, we've found a way to insure them with broad coverage. And we'll give them the best guarantee in the industry on renewing their policy.

Call us today. Or stop in and let us show you the 10 new ways you can qualify for lower rates or broader coverage. We think you've got a lot to gain.

Fernway studies plans

ORLAND PARK — The Fernway Improvement Association at a recent meeting approved the appointment of David Kent to the office of vice-president.

A vacancy was left with the resignation last month of President Donald Goodwin. Responsibilities of that office were assumed by Robert Palucki, who was then serving as vice-president. At Palucki's recommendation, members of the association unanimously accepted Kent's placement.

In the past Kent has been active in the FIA, serving in elective offices, as well as directing the street sign project which ultimately provided signs for the area.

"His (Kent's) record is tremendous," remarked Palucki. "He's worked very hard for the association, and we feel very lucky to have him accept the appointment."

Other business at that meeting included the discussion of the activities program for the coming year. Tentatively planned are a Thanksgiving Raffle, Christmas Lights — Decorating

Contest, formation of a Fernway Welcome Wagon and increased support of local scout troops.

It was agreed that prizes would be awarded to winners of the Christmas home-decorating contest, one in each of three categories: most elaborate, most unusual and most original. The prizes would be first place, \$25.00; second place, \$15.00 and third place, \$10.00.

The organization of a Fernway Welcome Wagon would promote the spirit of neighborliness and friendship to newcomers to the area. Local businesses would contribute small gifts, which would be given to recently-arrived residents by volunteers participating in the program.

According to President Palucki, the Welcome Wagon is a good way to introduce and familiarize new residents with Fernway.

In other action, the association accepted the suggestion to lend additional assistance to Fernway's scout troops. It is hoped that the FIA will be able to provide camping equipment for the boy scouts, as well as showing further interest in cub scout, girl scout and brownie troops.

Church Services

TINLEY PARK — A Community Thanksgiving Service, sponsored by the Tinley Park Clergymen's Association, will be held on Sunday, Nov. 19.

The public is invited to attend the meeting, which will be held at 7:30 p.m. in the gymnasium of the Tinley Park High School, 6111 W. 175th St.

Father Edward M. Egan, director of Archdiocese of Chicago, will be the guest speaker.

The eighth grade members are: Mary Avery, Shearin Jurus, Donna Krizek, Phylliss Mayer, Diane Noland, Pam Pease and Linda Watson. Their first game is against Tinley Park on Oct. 24.

The Honor Band played for a Band Boosters meeting last Monday. The sons they played were: Academic Festival Overture, One Less Bell to Answer, Candy Man, Kije's Wedding and This Guy in Love With You. There was a solo by Paul Korzenko in One Less Bell to Answer and another solo by Glen Leffew in This Guy in Love With You.

This week we interviewed the treasurer of our Teen Council, Irene Winlock.

"How does it feel to be on the Teen Council?" Irene: It's fun and I enjoy it very much.

How do you feel about last years Teen Council?

Irene: "Well, I don't thing last years did that much because the sixth grade was left out an awful lot."

What will you yourself do to improve the Teen Council?

Irene: Well, I'll try to improve the amount of money and save some for extra partys and other activities."

See you in two weeks.

A THOUGHT TO REMEMBER BY BOB HIRSCH

Election Day is almost here. As in every pre-election period claims and counter-claims have been heard . . . Half truths and exaggerations . . . Allegations, accusations and denials . . . Loud mouths, clenched and shaking fists . . . Innuendoes and insults . . .

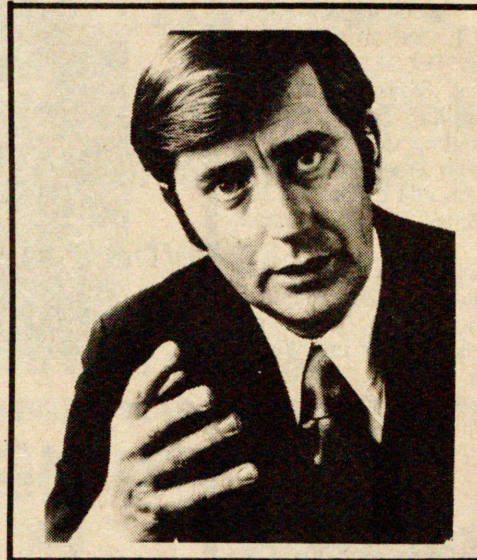

An almost 200 year old unique document — the Constitution of the United States — permits this. More importantly, it permits all of us to believe or disbelieve what we want. And still more important yet, it permits us the privilege and power to vote as we wish. There is no such thing as a controlled vote in our country. No one, absolutely no one but yourself can control your vote. Controlled votes are NOT permissible or possible.

On Election Day you accept or reject the pleas and pressures. You have a freedom of choice. No one can impair your freedom to vote as you wish. Go to the polls. Vote. No one was ever elected, no issue was ever decided by STAY-AT-HOME PEOPLE! . . .

Double celebration includes parents

PALOS HEIGHTS — Pennie Anne Marshall and Robert French Hunnewell were married Sept. 7 at the United Methodist Church, Palos Heights. The Reverend Bill Brandt and Father Dunn, St. Mike's Catholic Church, officiated.

Pennie's parents, Mr. and Mrs. Joseph C. Marshall, 10244 Hilltop Drive, Orland Park, celebrated their 25th wedding anniversary on the day of their daughter's wedding. Mr. and Mrs. Marshall were married Sept. 6, 1947, at St. Matthew's Church, South Bend, Indiana.

Robert is the son of Mr. and Mrs. William Hunnewell, Harold Ave., Palos Heights.

The bride's self-designed gown was made by her mother. Pennie is a former student of the Ray Vogue Art School where she studied fashion illustration. The white, nylon jersey, hooded bridal gown was trimmed in white, silk braid and a cord sash.

Joseph Marshall, Jr., Arthur Deuter and Robert Price, Jr., played guitars and sang.

Marianne O'Connor, Palos Park, was Maid of Honor and bridesmaids were Debbie Broberg and Patti Marshall, sister of the bride.

George Walker was Best Man and Dennis Breen and Jim Harty served as ushers.

The bride's grandparents, Mr. and Mrs. Lester J. Smith, California, were also present.

After a reception at the Orland Chateau, the couple honeymooned in Michigan and are now living in Murrphysboro, Ill., where Robert is a senior at Southern Illinois University.

Mr. and Mrs. Marshall are also the parents of Mrs. James (Pamela) Lott and Joseph, Jr. Mr. and Mrs. Lott are the parents of three children, Mary Anne, 7 years old, Carol, 6 years old and Jimmy, nine months old.

Students serve guests

The H.E.R.O. class at Carl Sandburg high school acted as mini-heroes at the wedding of Ruth Ferry to Neil Amsbaugh at the Stone Church in Palos Heights on Saturday, October 14.

Ruth Ferry, now Mrs. Neil Amsbaugh was a graduate of A. A. Stagg high school, and her mother Mrs. Ferry, is a librarian at Carl Sandburg high school.

It was through Mrs. Ferry, that the H.E.R.O. (Home Ec Related Occupations) class at Sandburg was contacted to cater the wedding of her daughter. The class under the direction of Mrs. Florence Butler, consists of twenty one seniors who all have early release, and who all work in Home Ec related jobs. Eleven of the students are boys, and ten girls.

The students prepared the dinner for 150 guests which included beef, ham, meatballs, jello salads, and potato salad. The bread was also home made.

When asked what the biggest task facing them was, one of the girls mentioned, "saving the food for the guests", and "keeping everyone serious". "Everybody tends to sample everything".

The class as taught by Mrs. Butler deals with quantity cooking projects and includes cake decorating as an entire unit.

Some of the students in the class include three boys who work at Mac-

Donalds; two boys who work at "Pooches", two at Jewel; some at the "Farmers Daughter Restaurant", and one girl who works in the kitchen at the Palos Hills Convalescent Center. Two girls are working on interior design in an independent study, and one girl works at Montgomery Ward's in Dixie Square. All of the students are employed in similar occupations.

"It was absolutely great", said Mrs. Butler, two days after the wedding, "and remember that we were greatly assisted by student teacher Miss Solecki, and Sandburg Home Ec teachers, Mrs. Peacock and Miss Lovejoy".

Students in the class are: Wayne Bozende, Nina Diaz, William Dixon, Philip Dobosz, Diana Fisk, Catherine Fritz, Robert Gloot, Patrick Kerrigan, Dale Leehaug, John McCumiskey, Russel McGill, Marelyn Millender, Lora Neighbors, David Powers, Donald Puschak, Paul Simwawski, Jacqueline Thompson, Debbie Umek, Roger Vandertium, Gail White, Ann Whitfield.

Engagement

SAGITTA SAYS If your engagement extends through Scorpio, Oct. 24 to Nov. 23., you may, in this fall season, be looking forward to a complete rebirth--to speak--to be found in marriage. There may be a more intense desire to culminate your mutual friendship and love in marriage as a means to augment your own self-concept.

Scorpio natives are impelled by the power of regeneration; his season may therefore find you building on the physical aspect of the marital state. Don't let jealousies disrupt what should be a happy period.

Grant enables Cooperative

SOUTH HOLLAND — The nursing program at Thornton Community College recently received \$48,363 in the form of a grant from the U.S. Department of Health, Education and Welfare, Division of Nursing. The grant is intended to establish cooperative nursing education by sharing health resources with other community colleges and Governors State University, Park Forest South.

The college became eligible for the grant when enrollments in the two-year associate degree program in nursing reached an all-time high of 196 students.

TCC will use the federal grant to employ additional faculty and to procure specialized nursing equipment. Other plans include the development of self-study equipment using visual aid materials for the maternal-child portion

of the curriculum and the continuation of courses for registered nurses who wish to keep current in nursing skills and concepts.

According to Carolyn Fraser, director of nursing at TCC, the continuing registered nurse education courses have become very popular with more than 200 nurses registered for the 15 courses offered during the fall and spring semester. Subjects covered in the continuing education curriculum include coronary care, nursing leadership and pharmacological concepts.

In addition to courses at TCC, nursing students learn patient care at Ingalls Memorial Hospital, Harvey, South Suburban Hospital, Hazel Crest, St. Francis Hospital, Blue Island, Oak Forest Hospital and Tinley Park Mental Health Center.

Local artist displays works

OAK FOREST — Pat Coffman Huss, 15309 Archard Lane, will have a showing of her artistic works at Behr's Gallery, 11009 S. Kedzie Ave., Saturday, Nov. 18, 9 a.m. - 5:30 p.m.

The Old Water Tower, Chicago's Picasso and Marina Towers are among some of the familiar Chicago scenes that will be shown. Additional water colors and ink drawings will cover a wide variety of subjects including rural scenes as well as studies of children and houses in the area.

Pat, who is a native of Chicago, studied at the Art Institute, University of Illinois Chicago Campus and received her Bachelor's degree from Chicago State College and her Master's degree from Illinois Institute of Technology, Institute of Design.

Pat is now teaching art at Richards Campus Building in Oak Lawn and has taught evening classes at Moraine Valley Community College.

Librarian receives key job

NEW LENOX — Mrs. Helen Karl, Park Forest, and formerly employed at the library there and most recently by the Lake County Indiana Public Library as assistant adult coordinator, has been appointed head librarian of the New Lenox Township Library. She succeeds Mrs. Irene C. Peterson who retired recently after 17 years of service.

In her position at the Lake County Library she assisted in book selection and program planning for the main library as well as the 14 branches. She is a graduate of the University of Illinois and received her master's degree in library science at Rosary College, where she was elected Beta Phi Mu, the international library science honor society.

Mrs. Karl, and her husband, Allan, have resided in Park Forest for more than 20 years. Karl is an architect with Greely and Hansen, of Chicago. The couple has three children, Ted and Suzanne, who attend Rich East High School, and Andy, a sophomore at Southern Illinois University.

Mrs. Karl is pleased to be at the New Lenox library.

"At a time when institutions are becoming increasingly larger and more impersonal," she said, "it is refreshing to find a place that still believes that friendly, personal service is its main objective. This library truly belongs to the people of New Lenox. The association with the Bur Oak Library System is invaluable as it supplies services and materials that would otherwise be unavailable."

"Considering the size of the current building, she went on, "it is amazing that over 16 million books are on call, as well as hundreds of films, framed art prints and phonograph records. I am looking forward to serving all the people of New Lenox."

The New Lenox Township Library is located at 115 Church Street, and is open from 1 to 5 p.m. Monday through Friday, 7 to 9 p.m. Monday and Thursday, and on Saturday from 10 a.m. to 1 p.m.

Board appoints lay committee

TINLEY PARK-OAK FOREST — Through a recent district-wide questionnaire, residents of Arbor Park School District 145 were invited to volunteer services for participation on a Lay Advisory Committee. Those volunteering were contacted by the administration and officially appointed as a committee by the Board of Education.

Citizens who have accepted appointments and who are currently serving on the committee are from Tinley Park: Thomas Cepek, Frank Cihok, Mrs. Sandra Dilley and Mrs. Cecil Jones; from Oak Forest are: Mrs. Carol Crouse, Paul Keane, Mrs. Chris Kerwin, Mrs. Erna Mayer and Mrs. Mary McCallum.

The purpose of the Lay Committee is to study the findings and recommendations of the district survey completed by a consulting firm, as well as the proposals of a 10-year plan for district development, and to report conclusions to the school board.

At a meeting Oct. 3, the committee elected officers and adopted official guidelines for its functioning, and appointed subcommittees. Kean was elected committee chairman and Mrs. Crouse, secretary.

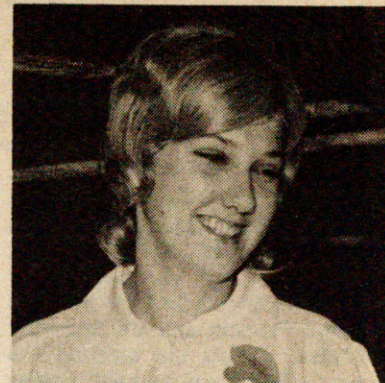

The committee also established subcommittees and chairmen: Cepek, enrollment; Mrs. Kerwin, curriculum; and Cihok, operational costs.

Local girl in cotillion

ORLAND PARK — Mr. and Mrs. Eugene Yunker, 10254 W. 144th St., will have the pleasure of presenting their daughter, Pamela Ann, at the St. Francis Hospital Cotillion, Dec. 9. There will be 25 young women presented at the Tenth Annual event to be held at the Martinique Restaurant, Evergreen Park.

Also being presented will be Nancy Pauline Pochinskas, Midlothian, daughter of Mr. and Mrs. Leo Pochinskas.

Pamela attends Carl Sandberg High School where she is a member of the band, orchestra and F.H.A. president. She is also in the Methodist Church choir and a member of the Methodist Youth group. After graduation, Pamela plans on attending Illinois Masonic Nursing

PAMELA YUNKER

School. She has served as a candy stripper since June, 1972, in St. Francis' emergency room and has given 250 hours of service.

Jr. Club holds "sew" show

ORLAND PARK — The Junior Woman's Club will hold a Home Sewn Fashion Show, Nov. 17, 8 p.m., at the Orland Chateau, 145th and LaGrange Road. Homemade refreshments will be served. For tickets, please call Mrs. Robert Mehling, 349-2192.

The centerpiece committee will be selling handmade dolls for \$2. The doll's clothing and apparel are in a variety of

colors. The Third District of the Illinois Federation of Women's Clubs recently met at the Orland Park Administration building for the installation of Mrs. Alfred Herzog as the new Junior Director. Mrs. Allan Sims, Fine Arts Chairman, will continue as Associate Junior Director. The newly federated club from Sauk Village joined the District at this meeting.

Libraries offer tape cassettes

TINLEY PARK-OAK FOREST — Tape cassettes will be available through the Suburban Library System at the Acorn District and Tinley Park Libraries beginning Oct. 16. Each tape may be borrowed for two weeks by patrons with valid Suburban Library System cards.

The tapes include popular, classical, religious, international music, show tunes and humor. The collection also contains tapes on literature, music, theatre, film, dance, art, travel, and languages, business, careers, self-development, and popular and controversial topics.

Tape cassette players, adapters and canvas carrying bags will also be provided as part of this service. Each of the eight zone center libraries handling the cassette service throughout the Suburban Library System will have ten players available for patrons. There is no charge for the cassettes or the equipment.

Patrons have been invited to the Acorn and Tinley Park Libraries after Oct. 16 to browse through the collection list and select musical or spoken-word cassettes.

Did you know that All Savings Certificates at various financial institutions are not the same? If you have a savings certificate, make these check marks.

- ☐ Check the minimum deposit (That could decide what interest rate you will receive)
- ☐ Check the interest rate. (Not all rates are the same)
- ☐ Check the terms. (It could make a lot of difference in rate).
- ☐ Check the penalties for early withdrawals. (Not all penalties are the same.)
- ☐ Check your savings certificate's conditions. (Can you borrow on your certificate and save your interest? Is advance notice required for withdrawal?)

Now when you have checked off all the facts you have on the savings certificates...call Mrs. Herman.

Frankfort Square

By KAREN HAAVE
815-469-3337

The Ann Rutledge-Frankfort Square P.T.O. will meet tonight, Nov. 1, at 8 p.m. in the All Purpose room at Ann Rutledge School. According to Mrs. Donald Johnston, president of the organization, the date of the November meeting was changed in order to comply with a request from the Board of Education of District 161 to allow a representative to speak to area residents in regard to the upcoming referendum on Saturday, Nov. 4.

Following a brief business meeting, Superintendent Aldo N. Fanti will address the group. He has indicated that he will answer questions concerning the proposed junior high school and referendum issue at that time.

Polling places for Saturday's voting are the Ann Rutledge and Arbury Hills Schools, from noon to 7 p.m. Frankfort Square residents are to vote at the Arbury Hills School.

Eight Frankfort Square girls were formally installed in Brownie Troop No. 120 during the Investiture on Monday, Oct. 23. New members receiving pins at the program included Susan Angster, Catherine Brasch, Lisa Carollo, Cheryl Feng, Angelique Jones, Peggy Lindquist, Amy Moser and Margaret Worden.

Assisting at the ceremonies were Brownies Robbin Fredericksen, Andrea Kamm and Terri Lundquist. Also, Kim Gausman, Jan Baity and Diane Castens, all from Cadet Troop No. 60, introduced new songs and games to the group.

Troop No. 120 is under the leadership of Mrs. Harry Jones, with assistance from Mrs. George Horvath.

Michael Dennis Donnellan celebrates his first birthday on Sunday, Nov. 5. The birthday boy is the son of Mr. and Mrs. Dennis P. Donnellan, 308 Greenfield Lane.

Mrs. Jack Newton sends a reminder that the P.T.O.-sponsored Christmas Bazaar is to be this Saturday, Nov. 4 at the Ann Rutledge School, from 11 a.m. until 4 p.m.

According to Mrs. Newton and Mrs. Phillip Steck, chairwomen of the event, the fun will include games, movies, booths (Handicrafts, Country Kitchen, New and Used) and a clown selling balloons.

Highlight of the Bazaar will be the prize drawing, from tickets sold by fourth, fifth and sixth graders from Ann Rutledge and Frankfort Square Schools. (Tickets, \$.25 each or five for a dollar, are now available from students, and will be sold at the Bazaar before the drawing.) Four prizes will be awarded: First, a three-foot ceramic Christmas Tree with lights and a music box hand-made and donated by Mrs. Hugh Stipan. Second, a decorative cutting board donated by the Carriage Gift Shoppe; Third, a 17-inch Doll; and fourth, a motorized plane set.

The Ann Rutledge Parent Teacher Organization will have their annual Christmas Bazaar on Saturday, Nov. 4 from 11 a.m. to 4 p.m. Mrs. Wayne Sulkowski will be in charge of the country kitchen booth again this year. If there is anyone who would like to make a donation, please contact her at 469-5388.

Mrs. Doris Cihach and Mrs. Evert Williams will be in charge of the new and used booth, there will be a Jolly Jumbo game under the direction of Paula Moustis, a cartoon room featuring movies by Howard Bluth, a handicraft booth, under the direction of Mrs.

Charles Strickler, Hugh Stipan will again be the "Balloon" clown and will be doing the artist work on balloons for the children. There will be a new addition to the bazaar this year. It is an engraving booth which will be handled by Mrs. Rick Paulsen and Mrs. Hugh Stipan. They will be engraving names on articles of jewelry. Anyone who would like to volunteer to help out for an hour or two can contact Mrs. Jack Newton at 469-5717, Mrs. Phil Steck at 469-5619 or Mrs. Hugh Stipan at 469-2861. Several prizes are to be given out; a three foot ceramic Christmas tree with lights and music box; a decorative cutting board, a 17" Aimee doll; a motorized solo flight airplane, and an 18 piece cutlery set.

The guest register will be handled by Miss Nessler and her sixth and fifth grade class. The refreshments will be handled by the Cub Scout Pack 237. This is a good way to get your Christmas shopping started.

The board of education of the Summit Hills school district 161 held their meeting on Wednesday, Oct. 25. Rev. Ted Bechtel, Frankfort Square, was appointed to the board to fill a vacancy. Dennis Taheny, corporation council for H&R, builders was present to negotiate the deal for the land that they are giving for the new Junior High school that they hope to build if the referendum is approved by the voters.

Bids were opened for the sale of bonds in the amount of \$150,000. The successful bidder was Channer-Newman Securities, Chicago. This was done for the purpose of completing the first phase of the Frankfort Square school. A representative of Wm. Rose associate landscaper was present at the meeting. They had done some work at the Arbury Hills school and they are going to draw up some plans for the Frankfort Square school.

After the beginning of the year, the teachers of the district will be starting an articulation program to help the children to get ready to enter high school. Sandy Anderson, learning disability teacher, was at the meeting and spoke to the board about what is being done in her class. The next board meeting will be on Wednesday, Nov. 8.

Prestwick

MICHAEL J. FLYNN
815-469-5617

It has been a busy week in Prestwick and the surrounding community. Politics, seasonal celebrations, art shows and the Halloween high jinx.

Our very best wishes for a speedy return to good health to Mrs. Elwyn Ahnquist of Aberdeen Road and Mrs. Joseph Whalen of Prestwick Drive. Betty Whalen entered the Mayo Clinic in Rochester, Minnesota last Monday for examinations to try and correct her hip difficulty.

A celebration of the traditional Oktoberfest from Germany was held at the Vogelmann residence on Aberdeen Road on Oct. 22. Ilse and Fritz Vogelmann had more than 50 area residents and family members attending.

The Halloween Party held in the club house last Saturday was a smashing success. Over 150 club members attended this annual affair, some in costumes and some without. The food was both abundant and delicious according to all reports. In the costume contest, first prize winning couple was Mr. and Mrs. John Klasey with an unusual costume design. Second prize was captured by Prestwicks own Mr. and Mrs. James Merriom who effectively portrayed grandmother and grandfather. We are told that it took quite some time to guess who they were. Don Olivieri played the part of a fallen angel; Martin Tuch was Andy of Raggedy Ann and Andy, and Ray Duesing dressed as a woman. Chuck Bruti and Chuck Prieb played the part of clowns and Bob Cunningham was a gorilla.

Welcome to our new neighbors; Mr. and Mrs. Roger Starr who recently moved into the former Moorehouse residence on Fairway Land, and their four children. Mrs. and Mrs. Ralph Moorehouse have moved into their new apartment in the D'Everaux condominium. Mr. and Mrs. Robert Lawson, formerly of Palos Park, have also moved into their new apartment in D'Everaux. We understand that Mr. Lawson plays golf in the early morning hours six days a week.

Prestwicks Girls Scouts have been busy this week. Eileen Brew, Christine Ostegren and Kristina Persson have been teaching singing to Junior Troop 319 in Prestwick and the three girls also managed the recent Halloween Party the troop held in St. Anthony's Church. Kristina Persson was just elected a patrol leader, Christine Ostegren was just invested into the Girl Scouts and Eileen Brew helped serve the meals during the recently held smorgasboard dinner held at St. Anthony's Church in Lincoln Estates.

The Smorgasboard Dinner held at St. Anthony's Church was a resounding success. The food was substantial, home made and delicious. Several hundred church members and area residents attended the successful event. Sandy Flynn of Prestwick was Prestwicks champion ticket seller, having sold more than 40 tickets to the event. State Representative John J. Houlihan, Democratic candidate for U.S. Congress, attended the dinner along with Eugene Duff, a candidate for State Representative.

Rumor has it that the trailer park being considered for development along Sauk Trail is still very much a live issue. With the \$750,000 road to no where still under construction and the Duggan organization suing for their right to develop the land as they see fit, it appears as though they may be successful in their fight. They have some formidable opponents in the Villages of Richton and Matteson and the various

school districts affected. Frankfort does not wish to get into the act because they are more than one and one half miles from the site and they are concerned that the Duggan group might challenge the villages recent strip annexations.

Dr. and Mrs. Irving Rudman of Frankfort, held an exclusive showing last Sunday of the works of Sam Hageman, one of the nations foremost watercolor artists. Mr. Hagemans works have received acclaim throughout the country for their high quality in depicting natural settings of disappearing America. His art centers itself mostly in the middle-west, however, he has been commissioned on a number of occasions by Johnson and Johnson, Gateway Transportation Company, the Ford Motor Company and U.S. Gypsum to do watercolors of various part of the country for their publications. Several hundred area residents attended the well organized affair.

Mr. and Mrs. Joseph Corbett of St. Andrews Way, Prestwick, held a cocktail party for State Representative George O'Brien, Republican candidate for U.S. Congress, in their residence last Sunday. Over 50 area residents attended the most delightful affair. O'Brien is scheduled to attend another get acquainted party at the residence of Mr. and Mrs. Richard Klare of Aberdeen Road on Thursday, Nov. 2. James Bell, Republican candidate for State Senator, and Martin Rudman, Republican candidate for States Attorney, are scheduled to attend a coffee get together to be given by Mr. and Mrs. Joseph Whalen of Prestwick Drive on Sunday, Nov. 5.

Anyone wishing to attend the affairs at the Klare or Whalen residences is most welcome. This will give you a perfect opportunity to visit with some of your candidates for county and national offices. At Klare's, the get together will be at 8 p.m. to 10 p.m. and at the Whalen's it will begin at noon

Mokena

By JEAN BRADLEY
312-479-9321

Two cars have been donated to serve

the senior citizens of Mokena on election day next Tuesday, Nov. 7.

Mrs. Irene Plecki, president of the Mokena senior citizen group, said the cars are to be sent out from the county senior citizens group, and apparently are non-partisan. Senior citizens who want a ride to the polls Tuesday can call Mrs. Plecki at 479-5734 or Ethel Olson at 479-9135.

The Senior Citizens club is holding an open house Nov. 12 at the Civic Center, Cross and Union Streets, Mrs. Plecki said, and the public is invited to attend. There will be refreshments, and no doubt some pinochle, it was said.

And on the second Sunday in December the 10th is the date the senior citizens will have their Christmas party.

Story Hour will begin at the Mokena Public Library, Cross and Union Street from 10 to 10:40 a.m. for four weeks, beginning on Nov. 13.

Pre-registration will be held at the library from Nov. 1 to Nov. 10. Ages are three and a half to five years will be accepted.

Story hour will include finger puppet plays, film strips, sing-alongs, flannel board plays and also reading to the children.

"Friends of the Library" ladies will work with the group.

Evening Belles Home Extension Unit will meet Nov. 20 at 7:30 p.m. instead of Nov. 6. The meeting will be held at Francis 4-H Field. The Lincoln Lassies are hostesses.

The Mokena Community Volunteer Fire Department Auxiliary presents their annual Halloween Dance, from 9 p.m. to 12:30 a.m. Saturday, Nov. 4, at the VFW Hall, Wolf Road. Music by "The Sound Expo". Donations \$2 per person. Prizes for the best costume, however costumes are not necessary.

The Driftbusters Snowmobile Club meets at 7:30 p.m. Monday, Nov. 6, at the Mokena VFW Hall. An election of officers will be held. Refreshments will be served after the meeting. Bring your husband or wife and enjoy a social evening. New members welcome.

Artist displays paintings

FRANKFORT — Oil Paintings by Ada Lambrecht, Frankfort, are currently on display in the Frankfort State Bank, 28 West Nebraska Street. Included are rural landscapes, still lifes, village streets and landmarks.

While under the tutelage of Jean, Claude Seere, Mrs. Lambrecht's paintings were seen in the American Savings

Bank, South Chicago Heights, at village fall festivals and more recently at Savovia's Restaurant, Chicago Heights.

Mrs. Lambrecht began painting as a hobby 20 years ago in classes at Joliet Junior College and later in Park Forest. She is at present studying with Julia VanKley, South Holland.

Christmas craft day program Nov. 1

NEW LENOX — The American Christmas will take the attention of Will County Homemakers Extension Association with a craft day program on Wednesday, Nov. 1 at Francis 4-H Field, New Lenox.

Table center pieces will be display on card tables by 30 different unit from the county. Individual planned exhibits also

will be on display, showing all kinds of decorations.

Mrs. June Hentsch will show how to make broomstick lace at 11 a.m. At 11:30 a.m. Mrs. Elsie Johnson will demonstrate hook rugs. Mrs. George Sangmeister, president of the Homemakers Extension Unit will announce the winners of unit displays at noon.

Two to work with water group

NEW LENOX — Village Trustees Lutz Gunther and William Brown have been named as representatives of New Lenox to work with the Public Water Commission which is studying means of augmenting the water supply for its members, which besides New Lenox, are Frankfort, Mokena, Lockport, Romeoville, Rockdale and Joliet.

The action was taken at the village board meeting Wednesday, Oct. 18, at which Robert Broucek, commission director at the water commission reviewed its proposed program. Broucek has now appeared before the officials of each of the communities represented on the commission.

As has been reported Broucek discussed several studies which predict a serious water shortage in the area in the next 10 or 15 years. Municipalities are now drawing their water supply from wells, deep and shallow, but according to engineers and Dr. Stanley William Ackerman, head of the Illinois Water

Survey Board, the water table keeps dropping about 15 feet annually.

The deep aquifer that supplies the region is getting smaller, Ackerman has said, and if that dries then residents and industry will have to rely on surface sources for its water supply. The water board is proposing to utilize the waters of the Kankakee River to serve the area.

Preliminary plans call for a \$50-million facility at the river on land donated by Commonwealth Edison Co., but Engineering for the program will cost approximately \$900,000, Broucek said, and until the water commission is in a position to raise its own funds it is asking the seven members to co-sign for interim financing.

The biggest share that any community might be called upon to shoulder would be the \$435,897, or 44 per cent of the total, that Joliet would be asked to underwrite. The Joliet city council by a 5 to 2 vote declined to sign and this has thrown a healthy sized wrench into the plan.

Now the water commission is said to be revising its plans with the hope of getting the show on the road.

Broucek told the New Lenox trustees that the water commission had no idea of taking control of the village water lines.

"Our purpose," he said "is to serve the seven communities." No municipality will have to buy all its water from the commission, he added.

"The concept," he said, "is to buy part of the year water from the Public Water Commission and pump the remainder from your wells. Municipalities should use two sources of water so the deep aquifer is not pumped dry."

Once it is dry, he said, it cannot be recharged.

Under the interim financing program proposed New Lenox would be required to underwrite \$21,681.

The trustees indicated they support the program for an additional water supply.

Rainbow plans repeat

NEW LENOX — Audiences that saw "Finian's Rainbow," staged by the Lincoln-Way High School choral groups last Friday and Saturday night really enjoyed it.

If you missed out on those performances there is still a chance to see and hear the story of the magic that followed the bold lease-land action —

some might have called it theft—by which Finian Loneragan takes over a pot of gold that belongs to the Little People of the Emerald Isle and brings it to America.

Curtain time is 8 p.m. Tickets are \$1.50. If you haven't got them yet, follow the advice of a carnival pitchman and. Hurry, hurry, hurry.

Musicians to enter festival

FRANKFORT — This Saturday, Nov. 4, the Illinois Music Educators Association, elementary and junior high divisions, will hold its annual District 1 Conference and Festival, at Conrady Junior High School at Hickory Hills.

The conference will involve professional meetings for music teachers and a concert presented by a total of 500 outstanding students selected from elementary and junior high schools throughout five counties in northeastern Illinois.

The festival band, and Chorus, will perform at 3 p.m. The concert is open to the public at a nominal fee, it was an-

nounced. The festival performing organizations will be made up of the finest students from 35 participating schools.

There will be a junior high-elementary chorus of 200 students. The junior high-elementary band and orchestra will each have 125 students. The groups will be conducted by outstanding music educators. The directors are, Dorothy Kunkel, Villa Park, orchestra; Dr. Carroll Gonzon, U of I, Urbana, chorus, and Fred Hubbell, Park Ridge, band.

The teachers conference will include a clinic session, "Manhattanville and Its Relationship to Orff," presented by

Mary O'Neill, Roosevelt University.

This event is one of nine district festivals to be held throughout the state.

Frankfort students who will be participating in the competition for chorus are: Sandy Johnson, Cindy Maloney, Mary Noonan, Donna Asbridge; Dawn Sauerbier, Cathy Clayton, Cheryl Urbanski, Andrea Miller, Laura Pasquinielli, Mike Dean, Peter Stipan, John Stipan, and Todd Hamm. Band students are: Richard Otto, Bill Swanberg, and Craig Fraedrich.

Frankfort's chorus director is Mrs. Linda Walsh and the band director is Perry Friedman.

Mokena asks for federal help

MOKENA — Applications for a federal grant from HUD (Housing Urban Development) which would cover a part of the cost of the proposed sanitary sewer system and water service for Brightwood and a new elevated water storage tank for the village, were filed last Friday at the HUD office in Chicago.

There are still some details to be worked out, it was said, including a conference with the Northeastern Illinois Planning Commission (NIPC) by village officials, but these were believed to be of a minor nature.

According to Mayor Will Tuttle, HUD officials indicated that the village could expect to get an answer on its request sometime in January. If the application is approved the money should be forthcoming by late spring, it was said.

The total application was for \$257,000, which includes \$75,000 for the water storage tank. It was estimated that this would reduce the cost to the Brightwood property owners about 40 percent, and eliminate any public benefits by the village.

Meanwhile, steps will be taken to spread a special assessment against the Brightwood lot owners. The assessments will be for the full amount, it was said, which has been estimated at

about \$36 a running foot, but the village board ordinance covering the project would be so phrased as to provide for a reduction in the assessments if the federal funding becomes a fact.

It also probably would cover such a contingency that if a sewage treatment plant is built along Hickory Creek on the Owens Land Trust property in time, the plans could be altered to use that facility instead of the plant on Wolf Road at the north end of the village. Going to the Hickory Creek plant could be cheaper.

Sidney Bloom, who with Tom Phillips, is planning the housing development on the Doogan Farm, adjacent to the Owens Land Trust, in which they also are said to have an interest, told the village board at its last meeting that they had arranged to make use of a 15-acre site along Hickory Creek for a sewage treatment plant.

The board indicated it was satisfied with the plans for the Doogan Farm and when the pre-annexation agreement is drawn and approved it is expected that annexation will follow and the development begun. The village is insistent that the treatment plant be built before any housing is completed.

This plant, Mayor Tuttle pointed out, will fit in with the Northeastern Illinois Planning Commission plan for the area, including Frankfort. It also would be of service to Richard Plattner, who has plans for developing 12 lots on the former Phillip Lentz property on the west side of Wolf Road, south of Mokena.

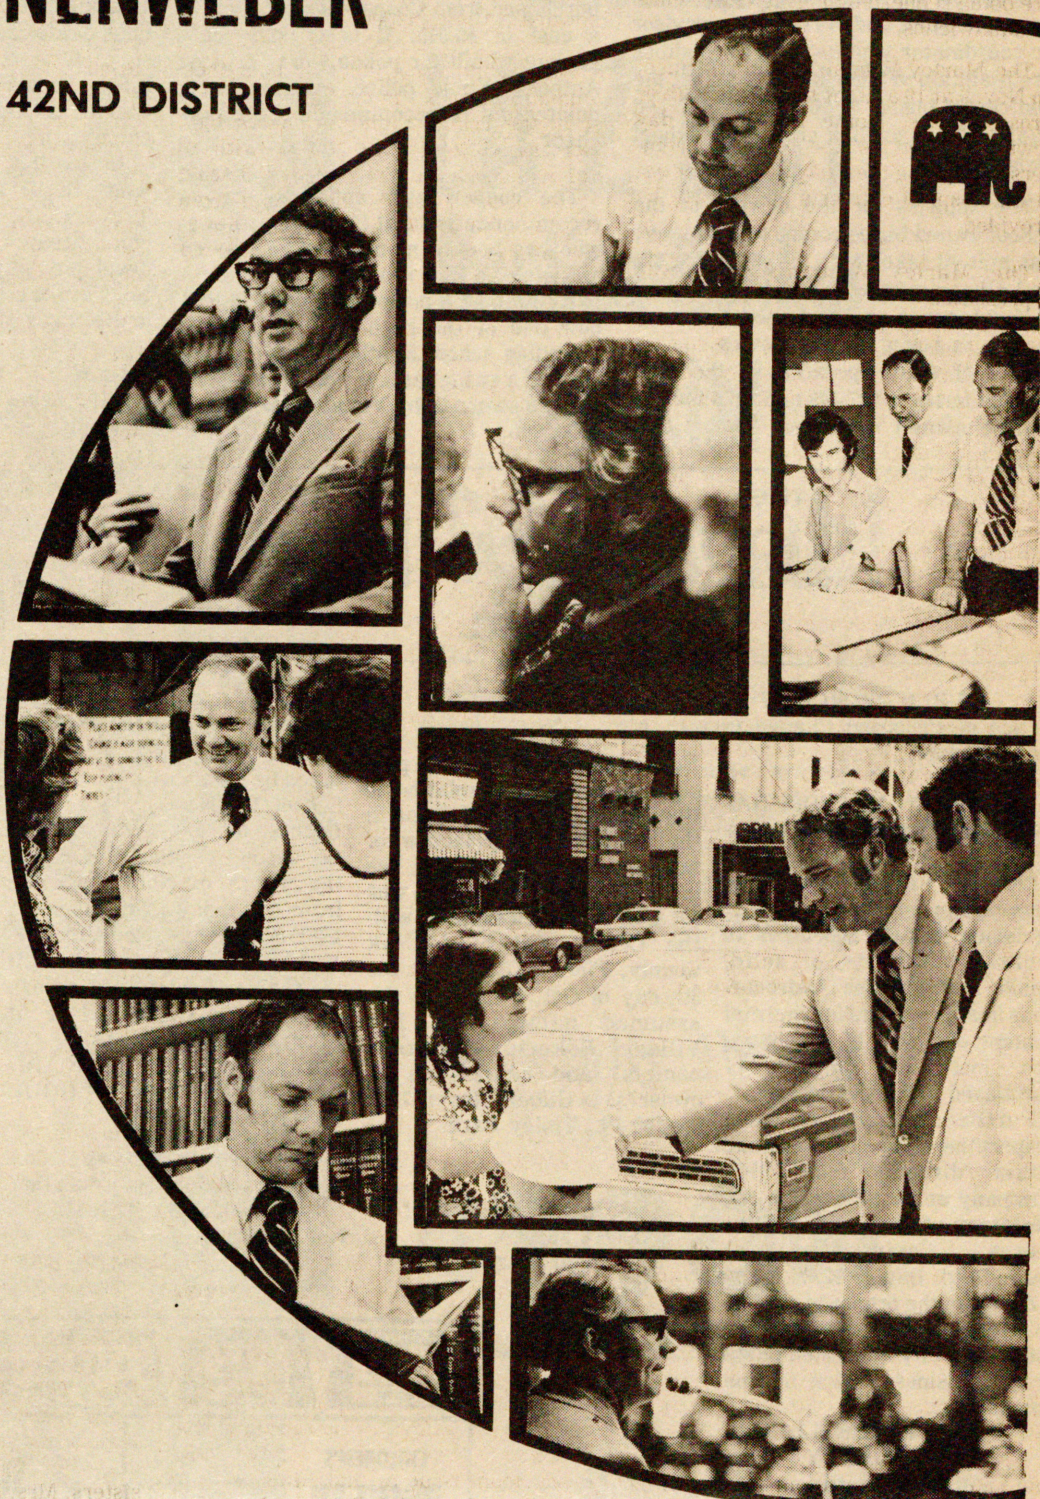

Plattner said he was willing to annex to the village and to lay sewer lines that would service the lots. The board tabled the Plattner matter until the Nov. 14 meeting.

Flushed!!

MOKENA — Water lines will be flushed Thursday and Friday, Nov. 2 and 3, it was announced yesterday by Larry Spiess, superintendent of public works.

Crews will be opening hydrants Thursday and Friday, between 8:30 a.m. and 4:30 p.m., Spiess said, urging all residents to take notice.

THE STATE'S ATTORNEY ISSUE

EXPERIENCED PROSECUTOR OR PSYCHIATRISTS?

RUDMAN

Reprint from the Herald-News, Sept. 6, 1972

Rudman said the state's attorney job is to gather the facts, see who gets indicted for what, plan the attack and present the case. He pointed out since he became the first assistant state's attorney in 1964 he has prosecuted an average of 100 cases per year and has a conviction rate of 85 to 90 per cent.

"I don't subscribe to the social work philosophy," Rudman said, pointing out he did not know of a law school that turns out qualified social workers.

He said that when a person is arrested many of the community resources turn to protect the person's rights "while the flowers are growing on the graves of the victims."

"The state's attorney is the only voice the dead and buried have left and that has meant a lot to me over the years," he added.

Dear Voter:

As Chief Prosecutor in this County for the last eight years under State's Attorneys George E. Sangmeister, a Democrat, and Louis R. Bertani, a Republican, I have prosecuted murderers, rapists, robbers, burglars, child abusers, and drug pushers instead of just talking about it. During that time I have tried more Jury Trials of Will County Homicide Cases than any other lawyer in this County.

My opponent has never had a Jury Trial in this County involving a homicide or any other felony, either as a prosecutor or defense attorney, since he moved to Joliet in 1966.

If elected State's Attorney, I will keep the office staffed with career prosecutors, not social workers. Social agencies need experienced social workers. Prosecuting agencies such as the State's Attorney's Office need experienced prosecutors.

My entire career has been devoted to prosecuting criminals. As a lifelong Will County resident, I want to keep doing that for the protection of your family and mine.

Burkey said the modern criminal is usually a young person in his teens or early 20s and there is need from the state's attorney office for qualified psychiatric and social workers to render evaluations on young persons when they break their first law violation or a burglary."

He said the approach used today by police on the young first offender is the police "station adjustment" process which amounts to a "corney old fashioned lecture by police."

"The lecture amounts to be a nice boy and listen to your mom and dad and go to school," Burkey charged. "There is no effort to evaluate whether a child has an emotional, psychiatric or environmental problem. Worse yet, little or no investigation is made as to the child's home life or school adjustment."

NEW LENOX — The transportation department of the New Lenox grade school district is a busy one. It moves 1,786 children to and from school daily — 1,689 in its own system and 197 who attend St. Jude School.

To do the job 17 buses are used. Of this fleet six are owned by New Lenox District 121 and the other 11 are contracted for from Laeset. The school's buses travel 273 miles a day, the leased buses, 482.

Cost of doing the job is \$502.85 per school day. It costs \$290.40 for base mileage for the rented buses plus \$72.45 for extra miles and \$10 of the supervisor or coordinator who sees that schedules are maintained and charged against the contracted buses. Another \$6 is charged against the operating cost of the school owned buses.

The salaries for the drivers of the school owned buses comes to \$78 a day; gas and oil takes \$14; maintenance \$25 and other expenses come to \$7.

Maintenance on the leased buses, of course, is borne by the owners.

Cost of daily operation of the contracted buses is \$371.85 and \$130 for the school owned vehicles. Those two

figures give the \$502.85 referred to previously as the cost of daily operation.

For those who like details the cost per mile, based on the operational costs, is 66 cents. The buses this year are operating an average of 59 miles a day more than the 1971-72 school year, and there are 71 more pupils being transported this year compared to last, according to Supt. Arnold J. Tyler, who prepared the report covering transportation.

MOKENA — The Mokena village council has purchased a new squad car for the police department. The car was purchased from Cooper-Hostert Ford at a cost of \$3,815. It is a heavy-duty package, built for police work, Trustee Anthony Kina, police commissioner, pointed out in recommending the purchase.

The council also approved Dina's recommendation that Robert Matthews, who has been a member of the police auxiliary, be made a part-time patrolman on a permanent basis. Right now one of the regular patrolman is attending school Matthews also can be used as a swing man, it was pointed out. He was sworn in by Village Clerk Alvin Sorensen.

TINLEY PARK — A Christmas bazaar and rummage sale sponsored by the St. George Altar and Rosary Society will be held Saturday, Nov. 4, beginning at 5 p.m. and Sunday, Nov. 5, from 8 a.m. till late afternoon, at the Georgian Room, 176th and Garden Streets.

FRANKFORT — Wayne Johnson, Frankfort builder, has been awarded the contract for remodeling the village hall to provide more office space and a larger council chamber. Johnson's bid was for \$18,234 and the lowest of several submitted.

Motion that the contract be awarded was made by Trustee Richard Trevathan, head of the building committee, who also is in charge of developing plans for Municipal Building No. 2 at the southwest corner of Hickory and Kansas streets.

NEW LENOX — There are some pupils who get their elementary schooling in the New Lenox grade

system but who reside in the Joliet Township High School district. Such students attend Joliet East High.

To provide a more meaningful learning experience for such pupils, administrators of the two districts have formulated a plan under which staff members of the two schools are to become acquainted with each other's programs.

Next Monday, Nov. 6, a regular scheduled institute day for the New Lenox Grade District, No. 122, the staff of Oakview Junior High will meet with department heads from Joliet East High in an attempt to further promote articulation between the two districts. The initial meeting has been structured to provide major emphasis on curriculum.

Part of the basic format will be for Joliet East to send representatives from the language arts, science mathematics and social science departments to Oakview.

In turn the New Lenox school will send its staff members from the health and

physical education, music, art and Spanish departments to Joliet East.

Tentative plans for an articular meeting between the Oakview staff and Lincoln-Way High School representatives are underway for the Jan. 22 institute meeting.

The major portion of Dist. 122, of course, lies in the Lincoln-Way High School district.

ORLAND PARK — Illinois State Basketball Champions, since the Little Green Giants of Hebron won the title in 1952, were presented via movies Friday noon at the weekly meeting of the Orland Park Rotary Club.

John Magnuson of the Illinois Bell Telephone Company presented the 30-minute movie which described the company's part in bringing the state basketball finals to the Illinois public through television for the past 20 years.

Two Carl Sandburg High School seniors were guests of the club through a new program instituted by the service group. Richard Franz and Mike Hvizd were this week's guests.

Club President Dr. Quentin Kling announced that the Rotary District Governor would visit the local club Nov. 10. President Kling requested that all committee reports, in preparation for the governor's annual visit be prepared by Nov. 7.

WESTHAVEN — The Westhaven Jaycees will act on the proposed planned years program and budget for the current fiscal year at a meeting to be held at 8 p.m. Monday, Nov. 6, at the First Baptist Church, 16838 S. Hobart Ave.

The \$3,000 budget includes such community involvement projects as a Christmas home decorating contest, "Honey Sunday," "March for Mankind," a spring clean-up project and a program to introduce the 45-15 school program to School District 140 citizens.

TINLEY PARK — Girl Scout Troop 283 is now collecting food labels for UNICEF. Deposit boxes have been placed in local supermarkets and include Jewel, National Motto's, and Elm Farm Food Stores. Labels being collected are Willie Wonka Candy Bars, Welsh's jelly and jam, Clark Chewy Gum, Swift's Premium Franks, Royal jello and pudding, Kook-Aid and the side panel of Captain Crunch cereal.

Further information may be obtained by calling Mrs. Barbara Ludewig, 532-4897.

The scout troop and mothers are planning to see the play, A Christmas Carol, Nov. 19 at the Drury Lane.

Recent scout activities included a bowling party Oct. 28, with the scouts fathers.

Titans win SES conference title

BRADLEY — The Tinley Park High School Titans clinched the Southeast Suburban Conference championship Saturday with a 48-0 victory over Bradley.

hero for the day's activities, bringing in three of the Tinley Park touchdowns.

Most memorable of the Bulow touchdowns came a 60 yard run in the first period. The other scorings were on a 5 yard run and a one yard run.

Steve Bettenhausen brought in another td on a 52 yard pass from quarterback Ed Neal.

Charles Skinulis took a 24 yard pass from Neal to score again for the Titans. Later he carried the ball for 60 yards to attain his second six-pointer.

Closing up the Titan td action was junior Bill Fix who brought in six points on a 25 yard run.

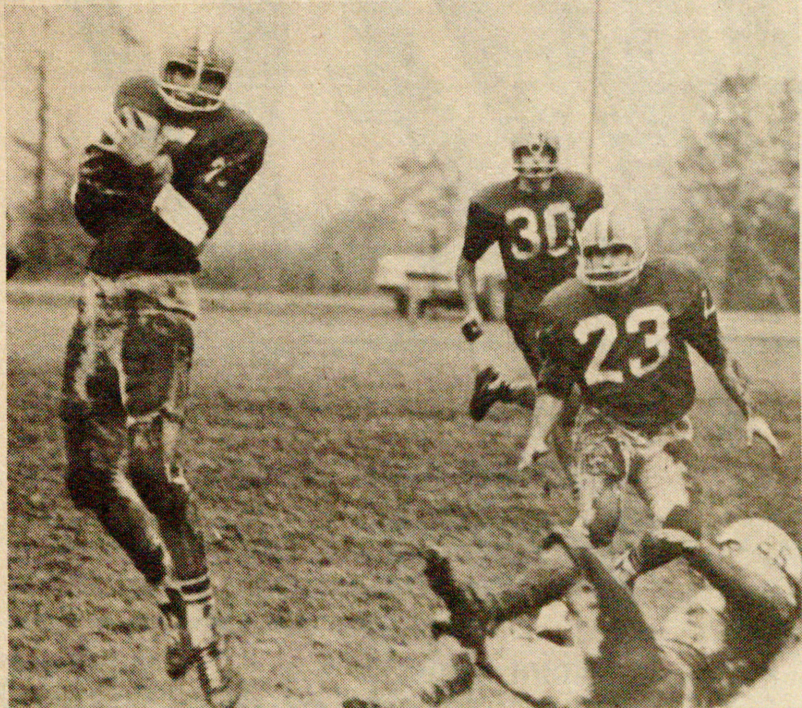

In points after touchdown, quarterback Neal made use of successful footwork to attain two conversion kicks.

Skinulis attained two points on a conversion run, and Charles Lester brought in two more points on a run.

The currently undefeated Tinley Park squad received a little help Saturday from the Stagg grid team which downed

second-place Hillcrest. Tinley faces Hillcrest this Saturday in a contest which will not challenge the Titan hold on the SES title.

Tinley Park has a total of seven wins to date this season. Six of these have been in conference play.

The Eagles of Carl Sandburg conquered the threat of both the Lincoln-Way Knights and

sloppy weather Saturday as they took an 18-0 win.

Sandburg tops L-W

ORLAND PARK — In the mud and the steadily falling rain last Saturday, the Carl Sandburg Eagles blanked the Lincoln-Way Knights, 18-0.

The game was scoreless through the first quarter and most of the second. The first score of the game came when Eagle field goal expert Jeff Fernandez kicked a 25 yard field goal to give the Eagles a 3-0 lead.

Minutes before the half, junior Steve Nelson of the Eagles scooped up a fumble in the Lincoln-Way backfield and raced 30 yards for a touchdown. The Eagles then pulled out all the stops as quarterback Wally Atkinson, holding for the extra point, faked the hold and threw

to Bruce Mack in the end zone for two points.

The first half ended with the Eagles on top, 11-0.

Later in the third quarter with only a short time left, junior running back Rick Schlinger broke loose for a 50 yard touchdown run. Steve Nelson added the extra point to ice the game at 18-0.

The Eagle defense had an outstanding day limiting the Lincoln-Way Knights to 14 yards passing and 18 yards rushing making a total of 32 net yards gained for Lincoln-Way. The Eagles also intercepted four Knight passes.

Eagle Coach Cliff Eade thought Steve Nelson, Chuck Grange, Bill Ham-

mertree and the whole defensive team did an excellent job. Eade also commented on how well running backs Rusty Vincent, Mike McNicholas, Rich Schlinger and Bill Hammertree blocked and ran in the game.

Rusty Vincent was the Eagle's leading ground gainer with 13 carries for 78 yards. Rich Schlinger contributed 3 carries for 56 yards and Mike McNicholas gained 40 yards in 10 carries. The Eagles gained over 218 total yards.

Sandburg's record now stands at 5-2 with just one remaining game left against Bremen.

The game is at Sandburg Saturday afternoon beginning at 2:00 p.m.

Celtics win first, top Luther North 22-12

NEW LENOX — It was rainy and dreary Saturday, but there was happiness in the football stands at the Providence High School playing field. Playing to a Parents' Day crowd, the Celtic squad rolled over the Wildcats of Luther North, 22-12.

The first Providence scoring came early in the game when John Carruthers grabbed a pass from quarterback Dick Mandella and proceeded down the field for 40 yards and six points.

A conversion pass from Mandella to Joe Dailey made the score 8-0.

But the Wildcats were not to be caged so early. Less than two minutes later in play, Luther North's quarterback Bill Harrington took the ball on a 69 yard journey to bring the score to 8-6. The Wildcat conversion attempt failed.

In the second period, a Providence fumble on the Luther North 47 yard line

gave the Wildcats possession of the ball. Bob Lineman finally brought in the touchdown on a three yard run.

As the buzzer sounded ending the first half, Luther North held a slight lead over the Celtics, 12-8.

In third period action, Carruthers again brought in the points. Providence had gained possession of the ball when Dan O'Neill intercepted a pass on the Luther North 28 yard line.

Carruthers also ran a successful conversion for the two points after touchdown.

The final touchdown of the game came on a nine yard pass from Mandella to John Buchanan.

The win was the first Providence victory of the season. Last weekend, the Celtics tied in competition with Luther South.

Statistics for the game showed Providence with 14 first downs compared to six for Luther North. Providence gained 195 yards in rushing and 84 yards in passing, while Luther accomplished 178 yards on the ground and 66 yards in the air.

This Saturday, in their final competition of the season, the Celtics will travel to Chicago Christian.

The village has a full contingent of flags — United Nations, U. S., Illinois, Cook County and Village of Orland — following the presentation this weekend of the U.N. flag to Mayor Melvin Doogan by Mrs. Roy Fox, U.N. Day chairman.

Orland Park celebrates UN day

ORLAND PARK — This community's first United Nation's day celebration was held Sunday at High Point Junior High School under the direction of Mrs. Roy Fox.

The Orland Park School's Cadet Concert Band made its first appearance of the year during the brief ceremony. Director Ian Lilly and the band

presented three numbers.

Mrs. Fox reminded the group that the United Nations was celebrating its 27th year of organization and she presented Orland Park Village President Melvin Doogan with the blue and white United Nations flag.

Mrs. Fox commented that the village now has a complete contingent of flags:

village, county, state, national and United Nations. All five flags will be on display at the village hall Mayor Doogan promised the crowd of band members' parents.

The mayor had appointed Mrs. Fox chairman of the annual observance and said that the event will be marked in the village in future years.

49'ers end with high 6-0 season

OAK FOREST — On Sunday, Oct. 29, Flag Football was in full swing as the last regular season games got underway in the Oak Forest Athletic Association. In the Junior League the Fieldcrest 49er's wound up the season with a perfect record of 6-0 as they beat the Fieldcrest Raiders 50-18.

The Maurer Construction Colts came in second with a 4-2 record as they topped the Royal Chrysler-Plymouth Rams 12-6. The ram's record wound up 2-4 and the Raiders was 0-6.

In the Senior League there was a first place tie as the Spicer Realtors Chiefs and the Medema Builders Packers ended the regular season with a 5-2 record. The Oak Forest Trustees came in second with a 3½-3½ record. Chet and Lucy's Bears were in third with a 1½-6½ record.

In the first game at Gingerwood Park the Spicer Realtors Chiefs were the first to score on an 18 yard slant play by Ken Kubacki at seven minutes of the first quarter. Len Kubacki tallied on the conversion. Five minutes later Vikings Pat Cary scored a six pointer on a six yard end run. Neither team was able to score again until seven minutes of the third quarter when Chief Ken Kubacki made a 20 yard run up the middle for a touchdown.

The defense of both teams was beautiful to watch as each thwarted play after play of the other. The game ended

with the Spicer Chiefs on top of a 14-6 final.

In the second game the Royal Chrysler-Plymouth Rams were the first on the scoreboard when Mike Breeze made a triple reverse 30 yard end run pay off. Then in the second quarter Maurer Colt Red Humpal made a one yard plunge to tie the score.

Both teams fought their way back and forth on the field and then with four minutes of the third quarter gone Colt Humpal scored his second touchdown on an eight yard end run. Both teams fought hard to score again in the fourth quarter but the game ended Colts 12-6.

In the first game at Fieldcrest Park, Chet and Lucy's bears were the first to score on a 40 yard touchdown pass to Joe Montgomery. Medema's Packers came right back with Mike Janicek making a 20 yard end run for a touchdown. Doug Kurechki made the conversion. A few minutes later Packer Janicke made a ten yard run for his second touchdown followed by Doug Kurechki's second conversion.

In the second quarter Packer Kevin Joyce ran 20 yards for a touchdown. In the third quarter Packer Dan Miulli scored after taking a 15 yard pass. Joyce made the conversion. Then Joyce scored a short while later by a 10 yard run. The Bears came to life when Ken Kulp took a 20 yard pass and ran another 20 yards for a touchdown. He also scored the

conversion. Near the end of the game Kulp again scored on a 30 yard pass play but the clock was against the Bears and they came out the short end of a 42-20 final.

Scoring in the all Fieldcrest contest showed Don Nekarse making the first touchdown for the Raiders and Peter King scoring for the 49er's, followed by Dale Reans two point conversion in the first quarter. Touchdowns were also shared by 49er's Dale Reans, three; Jeff Weber, one and one conversion; Don Biscan, one and one conversion; and one on an interception for a touchdown by Tim Redmond. Dave Bisean also scored a conversion. Raider touchdowns were scored by Mark Canal and Ed Benniger making the final score 49er's-50, Raiders 18.

OAK FOREST — Due to a muddy field Oak Forest Athletic Association games scheduled for Oct. 22 were postponed and played Saturday, Oct. 28. At Gingerwood Park the Medema Builders Packers were the first to score on a 25 yard end run by Packer Mike Janicek followed by a two point conversion by Casey Griffin at seven minutes of the first quarter.

The Oak Forest Trustees Vikings and the Packers tried again and again to score on the other through the second and third quarters but both teams defenses were up to the task. Then with four minutes left in the fourth quarter the Packers put the game out of reach when Kevin Joyce took a pitch out and ran 45 yards around the end for the final score of the game. The final score was Packers 14-Vikings 0.

In the second game between the Spicer Realtors Chiefs and Chet and Lucy's Bears the Chiefs first touchdown came with just six minutes gone in the first quarter on a one yard plunge by Ken Kubacki. Then four minutes later Chief Bob Frey intercepted a Bear pass and ran 30 yards for a touchdown.

center Mike O'Brien and leading scorer Joe Rodriguez. The faculty outfit also bolstered its scoring punch when they recruited Dandy Don Hayes, as forward.

The faculty team may not be the greatest aggregation of basketballers to take the floor at Lincoln-Way but the game should be good family entertainment—and there's not much of that kind to be found anymore.

PAM ROWLETT

Meet Pam Rowlett, from Tennessee, 6' 2" center for the All American Red Heads basketball team which plays the men members of Lincoln-Way faculty next Monday night at 8 o'clock in the L-W gym.

NEW LENOX — Women libber, arise! Next Monday, Nov. 6, at 8 p.m. Lincoln-Way High School's male faculty members will play the All American Red Heads basketball team, which is made up entirely of girls. The Red Heads, rated as the top girls' basketball in America, are coached by Ben Overman.

That the Red Heads can accomplish things on a court besides looking pretty is shown by last year's statistics—the girls won 169 of the 203 games they played.

Raiders take three

OAK FOREST — Oak Forest Raiders took three wins from Markham, in the Lightweight, Pee Wee, and Heavyweight divisions.

In the lightweight contest, the Raiders creamed Markham 33-6. The first quarter was a touch and feel type ballgame combined with basic had to head combat. Markham drew first blood, but was unable to reach paydirt again in the rest of the contest. The second quarter saw Don Howley take a 25 yard pass from Jim Linn for a touchdown. Soon after, Joe Kunkel ran a halfback option and threw the homerun ball to Pete Brennan. Tommy Murphy recovered a fumble to set up a T.D. which came on a quarterback keeper by Linn. Dean Sana recovered a fumble, to stop a Markham drive. An excellent punt by Brian Carlson put Markham deep in the hole, and the whole defensive line, namely Franky Toland, Scott

Klinschmidt, and Dean Sana, blew through to sack Markham for a safety. On the first play after the safety Linn found Howley wide open and threw a 45-yard T.D. bomb. Dean Sana jumped in to recover still another fumble to end the first half.

In the third quarter Mark Newquist took the ball and ran 45 yards, only to have the fine run nullified by a clip. Later Sana jumped on a loose ball for his third fumble recovery. Shortly afterward, Linn found Howley open again for a seven yard pass good for a touchdown.

The fourth quarter saw Jay Deer-

webster recover a fumble, and Terry Glennon ran for 20 yards and a T.D. Newquist picked off an aerial drive to stop Markham's last attempt. This was the last park district game to be played by Linn, Newquist, Mike Martin, Jerry Knipper, Jim Cloud, Carey Chaney, Brian Carlson, Jim McMann, and Terry Brandau. The cheerleader squad was composed of Jane Bahlenhorst, Karen Kunkel, Julie Mullins, Chris Coater, and Kim Jakubowski. The lightweights finished with a fine five to three record. Team members congratulate coaches Mel Murphy, Joe Kunkel, and Dan Kusmenka.
